Cautionary Statement Regarding Forward-Looking Statements

You should carefully review the information contained in this Quarterly Report and in other reports or documents that we file from time to time with the SEC.

In this Quarterly Report, we state our beliefs of future events and of our future financial performance. In some cases, you can identify those so-called “forward-looking statements” by words such as “anticipates,” “believes,” “continue,” “could,” “estimates,” “expects,” “intends,” “may,” “plans,” “potential,” “predicts,” “should” or “will,” or the negative of those and other comparable words. These forward-looking statements are not guarantees of future performance or results, and are subject to risks and uncertainties that could cause actual results to differ materially from historical results or those we anticipate as a result of various factors, many of which are beyond our control. Factors that may cause such differences to occur include, but are not limited to:

- increased levels of competition for residential and business customers from other providers, including but not limited to direct broadcast satellite operators, local telephone companies, other cable providers, wireless communications companies and providers that offer streaming and downloading of video content over the Internet;
- lower demand for our residential and business services, which may result from increased competition, weakened economic conditions or other factors;
- our ability to contain the continued increases in video programming costs or to raise video rates to offset, in whole or in part, the effects of such costs, including retransmission consent costs;
- our ability to further expand our Business Services, which has continued to make increasing contributions to our results of operations;
- our ability to successfully adopt new technologies and introduce new products and services to meet customer demands and preferences;
- our ability to secure hardware, software and operational support for the delivery of products and services to consumers;
- disruptions or failures of our network and information systems, including those caused by “cyber attacks,” natural disasters or other material events outside our control;
- our reliance on certain intellectual property rights, and not infringing on the intellectual property rights of others;
- our ability to generate sufficient cash flows from operations to meet our debt service obligations;
- changes in assumptions underlying our critical accounting policies;
- changes in legislative and regulatory matters that may cause us to incur additional costs and expenses; and
- other risks and uncertainties discussed in the Annual Report for the year ended December 31, 2013 and other reports or documents that we file from time to time with the SEC.

Statements included in this Quarterly Report are based upon information known to us as of the date that this Quarterly Report is filed with the SEC, and we assume no obligation to update or alter our forward-looking statements made in this Quarterly Report, whether as a result of new information, future events or otherwise, except as required by applicable federal securities laws.

MEDIACOM BROADBAND LLC AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(Unaudited)

1. ORGANIZATION

Basis of Preparation of Unaudited Consolidated Financial Statements

Mediacom Broadband LLC (“Mediacom Broadband,” and collectively with its subsidiaries, “we,” “our” or “us”) is a Delaware limited liability company wholly-owned by Mediacom Communications Corporation (“MCC”). MCC is involved in the acquisition and operation of cable systems serving smaller cities and towns in the United States, and its cable systems are owned and operated through our operating subsidiaries and those of Mediacom LLC, a New York limited liability company wholly-owned by MCC. As limited liability companies, we and Mediacom LLC are not subject to income taxes and, as such, are included in the consolidated federal and state income tax returns of MCC, a C corporation.

Our principal operating subsidiaries conduct all of our consolidated operations and own substantially all of our consolidated assets. Our operating subsidiaries are separate and distinct legal entities and have no obligation, contingent or otherwise, to make funds available to us.

We have prepared these unaudited consolidated financial statements in accordance with the rules and regulations of the Securities and Exchange Commission (the “SEC”). In the opinion of management, such statements include all adjustments, consisting of normal recurring accruals and adjustments, necessary for a fair presentation of our consolidated results of operations and financial position for the interim periods presented. The accounting policies followed during such interim periods reported are in conformity with generally accepted accounting principles in the United States of America and are consistent with those applied during annual periods. For a summary of our accounting policies and other information, refer to our Annual Report on Form 10-K for the year ended December 31, 2013. The results of operations for the interim periods are not necessarily indicative of the results that might be expected for future interim periods or for the full year ending December 31, 2014.

Mediacom Broadband Corporation (“Broadband Corporation”), a Delaware corporation wholly-owned by us, co-issued, jointly and severally with us, public debt securities. Broadband Corporation has no operations, revenues or cash flows and has no assets, liabilities or stockholders’ equity on its balance sheet, other than a one-hundred dollar receivable from an affiliate and the same dollar amount of common stock. Therefore, separate financial statements have not been presented for this entity.

Franchise fees imposed by local governmental authorities are collected on a monthly basis from our customers and are periodically remitted to the local governmental authorities. Because franchise fees are our obligation, we present them on a gross basis with a corresponding operating expense. Franchise fees reported on a gross basis amounted to approximately \$5.8 million and \$6.1 million for the three months ended June 30, 2014 and 2013, respectively, and approximately \$11.6 million and \$12.0 million for the six months ended June 30, 2014 and 2013, respectively.

Reclassifications

Certain reclassifications have been made to prior year amounts to conform to the current year presentation.

2. RECENT ACCOUNTING PRONOUNCEMENTS

In December 2013, the Financial Accounting Standards Board (the “FASB”) issued Accounting Standards Update No. 2013-12 (“ASU 2013-12”) – *Definition of a Public Business Entity*. ASU 2013-12 defines a public business entity to be used in considering the scope of new financial guidance and identifies whether the guidance does or does not apply to public business entities. The Accounting Standards Codification includes multiple definitions of the terms nonpublic entity and public entity. ASU 2013-12 states that an entity that is required by the SEC to file or furnish financial statements with the SEC, or does file or furnish financial statements with the SEC, is considered a public business entity. There is no effective date for ASU 2013-12. We adopted ASU 2013-12 as of December 31, 2013. We are deemed to be a public entity according to this guidance.

In May 2014, the FASB issued ASU No. 2014-09 (“ASU 2014-09”) – *Revenue from Contracts with Customers*. The guidance states that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. An entity should also disclose sufficient information to enable users of financial statements to understand the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. This guidance supersedes most industry-specific guidance, including Statement of Financial Accounting Standards (“SFAS”) No. 51 - *Financial Reporting by Cable Television Companies*. ASU 2014-09 is effective for annual reporting periods beginning after December 15, 2016, including interim periods within that reporting period. Early application is not permitted. We have not completed our evaluation of this new guidance to determine its impact on our financial statements or financial disclosures.

3. FAIR VALUE

The tables below set forth our financial assets and liabilities measured at fair value on a recurring basis using a market-based approach at June 30, 2014. Our financial assets and liabilities, all of which represent interest rate exchange agreements (which we refer to as “interest rate swaps”) have been categorized according to the three-level fair value hierarchy established by ASC 820, which prioritizes the inputs used in measuring fair value, as follows:

- Level 1 — Quoted market prices in active markets for identical assets or liabilities.
- Level 2 — Observable market based inputs or unobservable inputs that are corroborated by market data.
- Level 3 — Unobservable inputs that are not corroborated by market data.

As of June 30, 2014, our interest rate swap liabilities, net, were valued at \$23.2 million using Level 2 inputs, as follows (dollars in thousands):

	Fair Value as of June 30, 2014			
	Level 1	Level 2	Level 3	Total
Assets				
Interest rate exchange agreements	\$ —	\$ —	\$ —	\$ —
Liabilities				
Interest rate exchange agreements	\$ —	\$23,177	\$ —	\$23,177
Interest rate exchange agreements - liabilities, net	\$ —	\$23,177	\$ —	\$23,177

As of December 31, 2013, our interest rate swap liabilities, net, were valued at \$34.3 million using Level 2 inputs, as follows (dollars in thousands):

	Fair Value as of December 31, 2013			
	Level 1	Level 2	Level 3	Total
Assets				
Interest rate exchange agreements	\$ —	\$ —	\$ —	\$ —
Liabilities				
Interest rate exchange agreements	\$ —	\$34,275	\$ —	\$34,275
Interest rate exchange agreements - liabilities, net	\$ —	\$34,275	\$ —	\$34,275

The fair value of our interest rate swaps represents the estimated amount that we would receive or pay to terminate such agreements, taking into account projected interest rates, based on quoted London Interbank Offered Rate (“LIBOR”) futures and the remaining time to maturity. While our interest rate swaps are subject to contractual terms that provide for the net settlement of transactions with counterparties, we do not offset assets and liabilities under these agreements for financial statement presentation purposes, and assets and liabilities are reported on a gross basis.

All of our interest rate swaps were in a liability position as of each of June 30, 2014 and December 31, 2013, based upon their mark-to-market valuation, and therefore no assets were recorded on our consolidated balance sheets. As of June 30, 2014, we recorded a current liability in accounts payable, accrued expenses and other current liabilities of \$18.4 million and a long-term liability in other non-current liabilities of \$4.8 million. As of December 31, 2013, we recorded a current liability in accounts payable, accrued expenses and other current liabilities of \$24.5 million and a long-term liability in other non-current liabilities of \$9.8 million.

[Table of Contents](#)

As a result of the changes in the mark-to-market valuations on these interest rate swaps, we recorded a net gain on derivatives of \$5.5 million and \$7.7 million for the three months ended June 30, 2014 and 2013, respectively, and a net gain on derivatives of \$11.1 million and \$13.6 million for the six months ended June 30, 2014 and 2013, respectively.

[Table of Contents](#)**6. DEBT**

As of June 30, 2014 and December 31, 2013, our debt consisted of (dollars in thousands):

	June 30, 2014	December 31, 2013
Bank credit facility	\$1,348,000	\$ 1,608,000
5 1/2% senior notes due 2021	200,000	—
6 3/8% senior notes due 2023	300,000	300,000
Total debt	\$1,848,000	\$ 1,908,000
Less: current portion	13,500	16,000
Total long-term debt	<u>\$1,834,500</u>	<u>\$ 1,892,000</u>

2014 Financings

On March 17, 2014, we issued 5 1/2% senior notes due April 2021 in the aggregate principal amount of \$200.0 million (the “5 1/2% Notes”). The 5 1/2% Notes are unsecured obligations, and their indenture is substantially similar to the indenture governing our 6 3/8% senior notes due 2023 (the “6 3/8% Notes”). After giving effect to \$3.8 million of financing costs, net proceeds from the 5 1/2% Notes of \$196.2 million substantially funded a \$200.0 million partial repayment of the existing Term Loan D under our bank credit facility (the “credit facility”). As a percentage of par value, the 5 1/2% Notes are redeemable at 102.750% commencing April 1, 2017, 101.375% commencing April 1, 2018 and at par value commencing April 1, 2019.

On June 20, 2014, we entered into an amended and restated credit agreement (the “credit agreement”) under the credit facility that provided for new term loans in the amount of \$250.0 million (“Term Loan I”) and \$300.0 million (“Term Loan J” and, together with Term Loan I, the “new term loans”), and, on the same date, borrowed the full amounts under the new term loans. The credit agreement replaced the previously existing credit agreement in its entirety and amended certain terms and conditions, including the ability to amend and extend existing term loans and to prepay existing term loans on a non-pro rata basis. After giving effect to financing costs of \$6.6 million, net proceeds of \$543.4 million from the new term loans were substantially used to fund the full repayment of the remaining \$542.5 million balance under Term Loan D. As a result of the repayment of Term Loan D, we recorded in our consolidated statements of operations a loss on early extinguishment of \$0.3 million for the three and six months ended June 30, 2014, which represented the write-off of certain unamortized financing costs.

Borrowings under Term Loan I bear interest at a floating rate or rates equal to, at our discretion, LIBOR plus a margin of 2.50%, or the Prime Rate plus a margin of 1.50%. Term Loan I matures on June 30, 2017 and, commencing on September 30, 2014, is subject to quarterly principal reductions of \$0.6 million, representing 0.25% of the original principal amount, with a final payment at maturity of \$243.1 million, representing 97.25% of the original principal amount.

Borrowings under Term Loan J bear interest at a floating rate or rates equal to, at our discretion, LIBOR plus a margin of 3.00%, subject to a minimum LIBOR of 0.75%, or the Prime Rate plus a margin of 2.00%, subject to a minimum Prime Rate of 1.75%. For any quarterly period ending on or after September 30, 2014 in which the operating subsidiaries’ total leverage ratio (as defined in the credit agreement) is 3.0 to 1.0 or below, the margin on LIBOR and Prime Rate borrowings will be reduced to 2.75% and 1.75%, respectively. Term Loan J matures on June 30, 2021 and, commencing on September 30, 2014, is subject to quarterly principal reductions of \$0.8 million, representing 0.25% of the original principal amount, with a final payment at maturity of \$279.8 million, representing 93.25% of the original principal amount.

Bank Credit Facility

As of June 30, 2014, we maintained a \$1.557 credit facility, comprising:

- \$216.0 million of revolving credit commitments, which expire on December 31, 2016;
- \$196.5 million of outstanding Term Loan G borrowings, which mature on January 20, 2020;
- \$594.0 million of outstanding Term Loan H borrowings, which mature on January 29, 2021;
- \$250.0 million of outstanding Term Loan I borrowings, which mature on June 30, 2017; and
- \$300.0 million of outstanding Term Loan J borrowings, which mature on June 30, 2021.

[Table of Contents](#)

As of June 30, 2014, we had \$198.1 million of unused revolving credit commitments, all of which were available to be borrowed and used for general corporate purposes, after giving effect to \$7.5 million of outstanding loans and \$10.4 million of letters of credit issued thereunder to various parties as collateral.

The credit facility is collateralized by our ownership interests in our operating subsidiaries and is guaranteed by us on a limited recourse basis to the extent of such ownership interests. The credit agreement requires our operating subsidiaries to maintain a total leverage ratio (as defined in the credit agreement) of no more than 5.0 to 1.0 and an interest coverage ratio (as defined in the credit agreement) of no less than 1.75 to 1.0. For all periods through June 30, 2014, our operating subsidiaries were in compliance with all covenants under the credit agreement.

Interest Rate Swaps

We have entered into several interest rate swaps with various banks to fix the variable rate of borrowings to reduce the potential volatility in our interest expense that may result from changes in market interest rates. Our interest rate swaps have not been designated as hedges for accounting purposes, and have been accounted for on a mark-to-market basis as of, and for the three and six months ended, June 30, 2014 and 2013.

As of June 30, 2014, we had interest rate swaps that fixed the variable rate of \$800 million of borrowings at a rate of 3.3%, of which \$600 million and \$200 million expire during the years ending December 31, 2014 and 2015, respectively. As of the same date, we also had forward starting interest rate swaps that will fix the variable rate of \$300 million of borrowings at a rate of 2.6% for a one year period commencing December 2014.

As of June 30, 2014, the weighted average interest rate on outstanding borrowings under the credit facility, including the effect of our interest rate swaps, was 5.2%.

Senior Notes

As of June 30, 2014, we had \$500 million of outstanding senior notes, comprising \$200 million of 5 1/2% senior notes due April 2021 and \$300 million of 6 3/8% senior notes due April 2023. Our senior notes are unsecured obligations, and the indentures governing our senior notes (the "indentures") limit the incurrence of additional indebtedness based upon a maximum debt to operating cash flow ratio (as defined in the indentures) of 8.5 to 1.0. For all periods through June 30, 2014, we were in compliance with all covenants under the indentures.

Other Assets

Other assets, net, primarily include financing costs and original issue discount incurred to raise debt, which are deferred and amortized as interest expense over the expected term of such financings. Original issue discount, as recorded in other assets, net, was \$9.6 million and \$8.2 million as of June 30, 2014 and December 31, 2013, respectively.

Debt Ratings

MCC's corporate credit rating is B1 by Moody's, with a positive outlook, and BB- by Standard and Poor's ("S&P"), with a stable outlook. Our senior unsecured rating is B3 by Moody's, with a positive outlook, and B by S&P, with a stable outlook. There are no covenants, events of default, borrowing conditions or other terms in the credit agreement or indentures that are based on changes in our credit rating assigned by any rating agency.

Fair Value

As of June 30, 2014 and December 31, 2013, the fair values of our senior notes and outstanding debt under the credit facility (which were calculated based upon market prices of such issuances in an active market when available) were as follows (dollars in thousands):

	<u>June 30, 2014</u>	<u>December 31, 2013</u>
5 1/2% senior notes due 2021	\$ 203,500	\$ —

Total senior notes	<u>\$ 521,500</u>	<u>\$ 308,250</u>
Bank credit facility	<u>\$1,345,166</u>	<u>\$ 1,602,472</u>

7. PREFERRED MEMBERS' INTEREST

In July 2001, we received a \$150 million preferred membership investment from Mediacom LLC, which has a 12% annual dividend, payable quarterly in cash. We paid \$4.5 million in cash dividends on the preferred membership interest during each of the three months ended June 30, 2014 and 2013, and \$9.0 million during each of the six months ended June 30, 2014 and 2013.

8. MEMBER'S EQUITY

As a wholly-owned subsidiary of MCC, our business affairs, including our financing decisions, are directed by MCC. See Note 9.

Capital contributions from parent and capital distributions to parent are reported on a gross basis in the Consolidated Statements of Cash Flows. We made capital distributions to parent in cash of \$4.1 million and \$14.0 million during the six months ended June 30, 2014 and 2013, respectively.

9. RELATED PARTY TRANSACTIONS

MCC manages us pursuant to management agreements with our operating subsidiaries. Under such agreements, MCC has full and exclusive authority to manage our day to day operations and conduct our business. We remain responsible for all expenses and liabilities relating to the construction, development, operation, maintenance, repair and ownership of our systems.

As compensation for the performance of its services, subject to certain restrictions, MCC is entitled to receive management fees in an amount not to exceed 4.0% of the annual gross operating revenues of our operating subsidiaries, and is also entitled to the reimbursement of all expenses necessarily incurred in its capacity as manager. MCC charged us management fees of \$4.3 million and \$4.0 million for the three months ended June 30, 2014 and 2013, respectively, and \$8.6 million and \$8.0 million for the six months ended June 30, 2014 and 2013, respectively.

Mediacom LLC is a preferred equity investor in us. See Note 7.

10. COMMITMENTS AND CONTINGENCIES

Legal Proceedings

We are involved in various legal actions arising in the ordinary course of business. In the opinion of management, the ultimate disposition of these matters will not have a material adverse effect on our consolidated financial position, results of operations, cash flows or business.

11. GOODWILL AND OTHER INTANGIBLE ASSETS

In accordance with the FASB's Accounting Standards Codification No. 350 — *Intangibles — Goodwill and Other* ("ASC 350"), the amortization of goodwill and indefinite-lived intangible assets is prohibited and requires such assets to be tested annually for impairment, or more frequently if impairment indicators arise. We have determined that our cable franchise rights and goodwill are indefinite-lived assets and therefore not amortizable.

[Table of Contents](#)

We have evaluated the qualitative factors surrounding our Mediacom Broadband reporting unit as of October 1, 2013, and do not believe that it is “more likely than not” that a goodwill impairment exists. As such, we have not performed Step 2 of the goodwill impairment test.

Because we believe there has not been a meaningful change in the long-term fundamentals of our business during the first six months of 2014, we determined that there has been no triggering event under ASC 350 and, as such, no interim impairment test was required as of June 30, 2014.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following discussion should be read in conjunction with our unaudited consolidated financial statements as of, and for the three and six months ended, June 30, 2014 and 2013, and with our annual report on Form 10-K for the year ended December 31, 2013.

Overview

We are a wholly-owned subsidiary of Mediacom Communications Corporation ("MCC"), the nation's eighth largest cable company based on the number of customers who purchase one or more video services, also known as video customers. As of June 30, 2014, we served approximately 515,000 video customers, 548,000 high-speed data ("HSD") customers and 212,000 phone customers, aggregating 1.28 million primary service units ("PSUs").

We provide residential and commercial customers with a wide variety of services, including video, HSD and phone. We believe our customers prefer the cost savings of the bundled services we offer, as well as the convenience of having a single provider contact for ordering, provisioning, billing and customer care. We also provide network and transport services to medium- and large-sized businesses, governments, and educational institutions in our service areas, including cell tower backhaul for wireless telephone providers, and sell advertising time to local, regional and national advertisers.

Over the past several years, losses in our residential video customer base have been primarily responsible for slower growth in our residential revenues, while we have rapidly increased our business services through customer gains. We expect to continue to grow revenues through customer additions in business services and, to a lesser extent, in residential services. Business services revenues are expected to grow through HSD and phone sales to small- and medium-sized businesses and a greater number of cell tower backhaul sites and large enterprise customers. Revenues from residential services are expected to grow as a result of HSD and phone customer growth, and greater revenue per PSU, as more HSD customers take higher speed tiers and our wireless home gateway service and more video customers take our digital video recorder ("DVR") and other advanced video services.

Our recent performance has been affected by softer than expected economic conditions in a post-recession period and significant video competition. We believe the slow economic recovery from the recession, including the uneven gains in employment, consumer spending, household income, occupied housing, and new housing starts, has largely contributed to lower sales and connect activity for all of our residential services and negatively impacted our residential customer and revenue growth. While we expect improvement as the economy recovers further, a continuation or broadening of such effects may adversely impact our results of operations, cash flows and financial position.

Our residential video service principally competes with direct broadcast satellite ("DBS") providers, who offer video programming substantially similar to ours. Over the past several years, we have experienced meaningful video customer losses, as DBS competitors have deployed aggressive marketing campaigns, including deeply discounted promotional packages, more advanced customer premise equipment and exclusive sports programming. Recently, the overall focus in our residential services reflects a greater emphasis on higher quality customer relationships, concentrating sales and marketing more on single family homes, which we believe are more likely to purchase multiple services and stay with us longer. We have generally eliminated or reduced tactical discounts for customers not likely to purchase two or more services or to stay with us for an extended period. Our next generation set-top and interactive guide that were introduced in late 2013 are aimed at regaining video market share. If we are unsuccessful with this strategy and cannot offset video customer losses through higher average unit pricing and greater penetration of our advanced video services, we may experience future annual declines in video revenues.

Our residential HSD service competes primarily with digital subscriber line ("DSL") services offered by local phone companies, or local exchange carriers ("LECs"). Based upon the speeds we offer, we believe our HSD service is generally superior to DSL offerings in our service areas. As consumers' bandwidth requirements have dramatically increased in the past few years, a trend many industry experts expect to continue, we believe our ability to offer a HSD service today with downstream speeds of up to 150Mbps gives us a competitive advantage compared to the DSL service offered by the local telephone companies. We expect to continue to grow HSD revenues through residential customer growth and more customers taking higher HSD speed tiers.

Our residential phone service mainly competes with substantially comparable phone services offered by LECs and cellular phone services offered by national wireless providers. We believe we will grow phone revenues through residential phone customer growth, which may be mostly offset by unit pricing pressure.

[Table of Contents](#)

Our business services, including cell tower backhaul, largely compete with LECs. Developments and advancements in products and services by new, emerging companies may intensify competition. We have experienced strong growth rates of business services revenues in the past several years, which we believe will continue.

We face significant competition in our advertising business from a wide range of national, regional and local competitors. Competition will likely elevate as new formats for advertising are introduced into our markets. We compete for advertising revenues principally against local broadcast stations, national cable and broadcast networks, radio, newspapers, magazines, outdoor display and Internet companies.

Video programming has represented our single largest expense in recent years, and we have experienced substantial increases in video programming costs per video customer, particularly for sports and local broadcast programming, well in excess of the inflation rate or the change in the consumer price index. We expect to experience high single- to low-double digit growth in video programming costs per video customer in 2014, similar to our experience in 2013. We also believe these expenses will continue to grow at a significant rate in the future because of the demands of large media conglomerates or other owners of most of the popular cable networks and major market local broadcast stations, and of large independent television broadcast groups, who own or control a significant number of local broadcast stations across the country and, in some cases, own, control or otherwise represent multiple stations in the same market. Moreover, many of those powerful owners of programming require us to purchase their networks and stations in bundles and effectively dictate how we offer them to our customers, given the contractual economic penalties if we fail to comply. Consequently, we have little or no ability to individually or selectively negotiate for networks or stations, to forego purchasing networks or stations that generate low customer interest, to offer sports programming services, such as ESPN and regional sports networks, on one or more separate tiers, or to offer networks or stations on an a la carte basis to give our customers more choice and potentially lower their costs. While such growth in programming expenses can be offset, in whole or in part, by rate increases, we expect our video gross margins will continue to decline if increases in programming costs outpace any growth in video revenues.

2014 Financings

On March 17, 2014, we issued \$200.0 million of 5 1/2% senior notes due 2021 (the "5 1/2% Notes") and, on the same date, used the net proceeds to substantially repay \$200.0 million of principal amount outstanding under the existing Term Loan D under our bank credit facility (the "credit facility"). On June 20, 2014, we completed \$550.0 million of new term loans and, on the same date, used the net proceeds to repay the remaining \$542.5 million of principal amount outstanding under Term Loan D.

See "Liquidity and Capital Resources — Capital Structure — 2014 Financings" and Note 6 in our Notes to Consolidated Financial Statements.

Revenues

Video

Video revenues primarily represent monthly subscription fees charged to residential video customers, which vary according to the level of service and equipment taken, and revenue from the sale of video-on-demand content and pay-per-view events. Video revenues also include installation, reconnection and wire maintenance fees, franchise and late payment fees, and other ancillary revenues.

HSD

HSD revenues primarily represent monthly subscription fees charged to residential HSD customers, which vary according to the level of HSD service taken.

Phone

Phone revenues primarily represent monthly subscription fees charged to residential phone customers for our phone service.

Business Services

Business services revenues primarily represent monthly fees charged to commercial video, HSD and phone customers, which vary according to the level of service taken, and fees charged to large businesses, including revenues from cell tower backhaul and enterprise class services.

[Table of Contents](#)

Advertising

Advertising revenues primarily represent revenues from selling advertising time we receive under programming license agreements to local, regional and national advertisers for the placement of commercials on channels offered on our video services.

Costs and Expenses

Service Costs

Service costs consist of the costs related to providing and maintaining services to our customers. Significant service costs comprise: video programming; HSD service, including bandwidth connectivity; phone service, including leased circuits and long distance; our enterprise networks business, including leased access; technical personnel who maintain the cable network, perform customer installation activities and provide customer support; network operations center; utilities, including pole rental; and field operations, including outside contractors, vehicle fuel and maintenance and leased fiber for regional fiber networks.

Programming costs, which are generally paid on a per video customer basis, have historically represented our single largest expense. In recent years, we have experienced substantial increases in the per-unit cost of programming, which we believe will continue to grow due to the increasing contractual rates and retransmission consent fees demanded by large programmers and independent broadcasters. Our HSD costs fluctuate depending on customers' bandwidth consumption and customer growth. Phone service costs are mainly determined by network configuration, customers' long distance usage and net termination payments to other carriers. Our other service costs generally rise as a result of customer growth and inflationary cost increases for personnel, outside vendors and other expenses. Personnel and related support costs may increase as the percentage of expenses that we capitalize declines due to lower levels of new service installations. We anticipate that service costs, with the exception of programming expenses, will remain fairly consistent as a percentage of our revenues.

Selling, General and Administrative Expenses

Significant selling, general and administrative expenses comprise: call center, customer service, marketing, business services, support and administrative personnel; franchise fees and other taxes; bad debt; billing; marketing; advertising; and general office administration. These expenses generally rise due to customer growth and inflationary cost increases for personnel, outside vendors and other expenses. We anticipate that selling, general and administrative expenses will remain fairly consistent as a percentage of our revenues.

Service costs and selling, general and administrative expenses exclude depreciation and amortization, which we present separately.

Management Fee Expense

Management fee expense reflects compensation paid to MCC for the performance of services it provides us in accordance with management agreements between MCC and our operating subsidiaries.

Use of Non-GAAP Financial Measures

"OIBDA" is not a financial measure calculated in accordance with generally accepted accounting principles ("GAAP") in the United States. We define OIBDA as operating income before depreciation and amortization. OIBDA has inherent limitations as discussed below.

OIBDA is one of the primary measures used by management to evaluate our performance and to forecast future results. We believe OIBDA is useful for investors because it enables them to assess our performance in a manner similar to the methods used by management, and provides a measure that can be used to analyze value and compare the companies in the cable industry. A limitation of OIBDA, however, is that it excludes depreciation and amortization, which represents the periodic costs of certain capitalized tangible and intangible assets used in generating revenues in our business. Management uses a separate process to budget, measure and evaluate capital expenditures.

OIBDA should not be regarded as an alternative to operating income or net income as an indicator of operating performance, or to the statement of cash flows as a measure of liquidity, nor should it be considered in isolation or as a substitute for financial measures prepared in accordance with GAAP. We believe that operating income is the most directly comparable GAAP financial measure to OIBDA.

Primary service units (PSUs)	<u>1,275,000</u>	<u>1,276,000</u>	<u>(0.1%)</u>

Revenues increased 2.9% and 3.1% for the three and six months ended June 30, 2014 and 2013, respectively, primarily due to greater HSD and, to a lesser extent, business services revenues. Average total monthly revenue per PSU increased 2.7% to \$61.78 and 2.4% to \$61.50 for the three and six months ended June 30, 2014, respectively.

Video revenues declined 1.4% and 0.8% for the three and six months ended June 30, 2014 and 2013, respectively, mainly a result of a lower residential video customer base, mostly offset in part by rate adjustments and more customers taking advanced video services. We lost 9,000 video customers during each of the three months ended June 30, 2014 and 2013, and lost 13,000 video customers in the six months ended June 30, 2014, compared to a decline of 9,000 in the prior year period. As of June 30, 2014, we served 515,000 video customers, or 34.4% of our estimated homes passed. As of the same date, 61.1% of our video customers were digital customers, and 45.3% of our digital customers were taking our DVR service.

HSD revenues grew 7.2% for each of the three and six months ended June 30, 2014 and 2013, principally due to higher equipment charges, customer growth and, to a much lesser extent, more customers taking our wireless home gateway service. We gained 2,000 HSD customers during the three months ended June 30, 2014, compared to an increase of 5,000 in the prior year period, and gained 14,000 HSD customers in the six months ended June 30, 2014, compared to an increase of 20,000 in the prior year period. As of June 30, 2014, we served 548,000 HSD customers, or 36.6% of our estimated homes passed, and 28.1% of our HSD customers took our wireless home gateway.

Phone revenues decreased 3.8% and 4.0% for the three and six months ended June 30, 2014 and 2013, respectively, largely a result of lower revenues per phone customer, offset in part by a larger residential phone customer base. We gained 2,000 phone customers during the three months ended June 30, 2014, compared to an increase of 6,000 in the prior year period, and gained 5,000 phone customers during the six months ended June 30, 2014, compared to an increase of 12,000 in the prior year period. As of June 30, 2014, we served 212,000 phone customers, or 14.2% of our estimated homes passed.

Business services revenues rose 16.8% and 17.1% for the three and six months ended June 30, 2014 and 2013, respectively, primarily due to growth in small-to-medium sized commercial customers and, to a lesser extent, enterprise class services, particularly for cell tower backhaul.

[Table of Contents](#)

Advertising revenues increased 3.0% for the three months ended June 30, 2014, and were essentially unchanged for the six months ended June 30, 2014, as higher levels of political advertising were mostly offset by lower levels of automotive and other local advertising.

Costs and Expenses

Service costs increased 1.6% and 1.7% for the three and six months ended June 30, 2014 and 2013, respectively, principally due to higher employee and HSD delivery expenses, offset in part by lower programming expenses. Employee costs were 12.3% and 10.2% higher for the three and six months ended June 30, 2014 and 2013, respectively, largely a result of higher staffing levels. HSD delivery costs rose 25.8% and 28.9% for the three and six months ended June 30, 2014 and 2013, respectively, primarily due to a greater number of equipment maintenance contracts and higher bandwidth consumption by our HSD customers. Programming expenses declined 1.1% and 1.2% for the three and six months ended June 30, 2014 and 2013, respectively, as a lower video customer base was mostly offset by greater retransmission consent fees charged by local broadcasters and higher contractual rates charged by our programming vendors. Service costs as a percentage of revenues were 39.9% and 40.4% for the three months ended June 30, 2014 and 2013, respectively, and 40.1% and 40.7% for the six months ended June 30, 2014 and 2013, respectively.

Selling, general and administrative expenses declined 0.6% and 1.1% for the three and six months ended June 30, 2014 and 2013, respectively, mainly due to lower employee and, to a lesser extent, office expenses, offset in part by greater bad debt and marketing expenses. Employee costs decreased 8.1% and 7.0% for the three and six months ended June 30, 2014, respectively, principally due to lower staffing levels. Office expenses fell 15.5% and 16.7% for the three and six months ended June 30, 2014, respectively, primarily due to lower rent and telecommunications costs. Bad debt expense rose 36.6% and 15.1% for the three and six months ended June 30, 2014, respectively, principally due to a greater number of written-off accounts and the aging of certain business customer accounts. Marketing costs grew 7.1% and 6.1% for the three and six months ended June 30, 2014, respectively, largely as a result of greater levels of direct mail marketing and online advertising, offset in part by a reduction in contracted directed sales marketing. Selling, general and administrative expenses as a percentage of revenues were 19.2% and 19.8% for the three months ended June 30, 2014 and 2013, respectively, and 19.1% and 19.9% for the six months ended June 30, 2014 and 2013, respectively.

Management fee expense grew 7.5% for each of the three and six months ended June 30, 2014 and 2013, reflecting higher fees charged by MCC. Management fee expense as a percentage of revenues was 1.8% and 1.7% for the three months ended June 30, 2014 and 2013, respectively, and 1.8% for each of the six months ended June 30, 2014 and 2013.

Depreciation and amortization was 0.5% and 0.7% higher for the three and six months ended June 30, 2014 and 2013, respectively, as the depreciation of customer premise equipment, investments in HSD bandwidth expansion and our business services offerings were substantially offset by certain assets becoming fully depreciated.

OIBDA

OIBDA grew 5.8% and 6.4% for the three and six months ended June 30, 2014 and 2013, respectively, as the increase in revenues and, to a much lesser extent, the decline in selling, general and administrative expenses, were offset in part by greater service costs.

Operating Income

Operating income rose 10.2% and 11.2% for the three and six months ended June 30, 2014 and 2013, respectively, principally due to the growth in OIBDA.

Interest Expense, Net

Interest expense, net, increased 0.3% for the three months ended June 30, 2014, as a higher average cost of debt was mostly offset by lower average outstanding indebtedness. Interest expense, net, declined 3.8% for the six months ended June 30, 2014, primarily due to lower average outstanding indebtedness.

Gain on Derivatives, Net

As of June 30, 2014, we had interest rate exchange agreements (which we refer to as “interest rate swaps”) with an aggregate notional amount of \$1.1 billion, of which \$300 million were forward-starting interest rate swaps. These interest rate swaps have not been designated as hedges for accounting purposes, and the changes in their mark-to-market values are derived primarily from changes in market interest rates and the decrease in their time to maturity.

[Table of Contents](#)

As a result of the changes in the mark-to-market valuations on these interest rate swaps, based on information provided by our counterparties, we recorded a net gain on derivatives of \$5.5 million and \$7.7 million for the three months ended June 30, 2014 and 2013, respectively, and a net gain on derivatives of \$11.1 million and \$13.6 million for the six months ended June 30, 2014 and 2013, respectively.

Loss on Early Extinguishment of Debt

Loss on early extinguishment of debt totaled \$0.3 million for the three and six months ended June 30, 2014, and \$0.8 million for the three and six months ended June 30, 2013. These amounts represented the write-off of certain unamortized financing costs as a result of the repayment of certain term loans.

Other Expense, Net

Other expense, net, was \$0.4 million for the three months ended June 30, 2014, which substantially consisted of revolving credit facility commitment fees, and \$0.9 million for the six months ended June 30, 2014, representing \$0.7 million of commitment fees and \$0.2 million of other fees.

Other expense, net, was \$0.4 million for the three months ended June 30, 2013, representing \$0.2 million of commitment fees and \$0.2 million of other fees, and \$0.5 million for the six months ended June 30, 2013, which substantially consisted of commitment fees.

Net Income

As a result of the factors described above, we recognized net income of \$33.1 million and \$30.0 million for the three months ended June 30, 2014 and 2013, respectively, and \$66.4 million and \$56.4 million for the six months ended June 30, 2014 and 2013, respectively.

Liquidity and Capital Resources

Our net cash flows provided by operating activities are primarily used to fund investments to enhance the capacity and reliability of our network and further expand our products and services, as well as for scheduled repayments of our indebtedness and periodic distributions to MCC. As of June 30, 2014, our near-term liquidity requirements included scheduled term loan principal repayments of \$6.8 million during the remainder of 2014, and \$13.5 million during each of the years ending December 31, 2015 and 2016. As of the same date, our sources of liquidity included \$12.5 million of cash and \$198.1 million of unused and available commitments under our \$216.0 million revolving credit facility, after giving effect to \$7.5 million of outstanding loans and \$10.4 million of letters of credit issued to various parties as collateral. We believe that cash generated by, or available to, us will meet our anticipated capital and liquidity needs for the foreseeable future.

In the longer term, we may not generate sufficient net cash flows from operations to fund our maturing term loans and senior notes. If we are unable to obtain sufficient future financing on acceptable terms, or at all, we may need to take other actions to conserve or raise capital that we would not take otherwise. However, we have accessed the debt markets for significant amounts of capital in the past, including the issuance of new senior notes and term loans in 2014, and expect to continue to be able to access these markets in the future as necessary.

Net Cash Flows Provided by Operating Activities

Net cash flows provided by operating activities were \$149.9 million for the six months ended June 30, 2014, primarily due to OIBDA of \$182.8 million and, to a much lesser extent, the \$12.8 million net change in our operating assets and liabilities, offset in part by interest expense of \$47.7 million. The net change in our operating assets and liabilities was primarily due to increases in accounts payable to affiliates of \$8.5 million and in accounts payable, accrued expenses and other current liabilities of \$6.2 million, and a decline in accounts receivable from affiliates of \$4.4 million, offset in part by an increase in accounts receivable, net, of \$3.6 million and in prepaid expenses and other assets of \$3.1 million.

Net cash flows provided by operating activities were \$119.1 million for the six months ended June 30, 2013, primarily due to OIBDA of \$171.8 million, offset in part by interest expense of \$49.5 million and the \$5.4 million net change in our operating assets and liabilities. The net change in our operating assets and liabilities was primarily due to increases in prepaid expenses and other assets of \$3.8 million and in accounts receivable, net, of \$2.1 million, and a decline in accounts payable to affiliates of \$1.5 million, offset in part by increases in accounts payable, accrued expenses and other current liabilities of \$1.1 million and an increase in deferred revenue of \$0.9 million.

Net Cash Flows Used in Investing Activities

Capital expenditures continue to be our primary use of capital resources and generally comprise all of our net cash flows used in investing activities.

Net cash flows used in investing activities were \$64.2 million for the six months ended June 30, 2014, comprising \$66.7 million of capital expenditures, slightly offset by a net change in accrued property, plant and equipment of about \$2.5 million.

Net cash flows used in investing activities were \$71.4 million for the six months ended June 30, 2013, comprising \$73.1 million of capital expenditures, slightly offset by a net change in accrued property, plant and equipment of \$1.7 million.

The \$6.4 million decline in capital expenditures principally reflected reduced outlays for cell tower backhaul and, to a lesser extent, customer premise equipment associated with our all-digital video platform, offset in part by spending on our next-generation set-top which we introduced in late 2013.

Net Cash Flows Used in Financing Activities

Net cash flows used in financing activities were \$84.4 million for the six months ended June 30, 2014, as \$260.0 million of net repayments under the credit facility, \$10.4 million of financing costs, \$9.0 million of dividend payments on preferred members' interest, \$4.1 million of capital distributions to our parent, MCC, and \$0.9 million of other financing activities were funded, in part, by the \$200.0 million issuance of new senior notes. See "Capital Structure — 2014 Financings" below and Note 6 in our Notes to Consolidated Financial Statements for more information on such net repayments under the credit facility and issuance of new senior notes.

Net cash flows used in financing activities were \$49.8 million for the six months ended June 30, 2013, comprising net repayments of \$21.0 million under the credit facility, \$14.0 million of capital distributions to our parent, MCC, \$9.0 million of dividend payments on preferred members' interest, \$5.3 million of financing costs and \$0.5 million of other financing activities.

Capital Structure

As of June 30, 2014, our total indebtedness was \$1.848 billion, of which approximately 70% was at fixed interest rates or had interest rate swaps that fixed the corresponding variable portion of debt. During the six months ended June 30, 2014, we paid cash interest of \$42.0 million, net of capitalized interest.

2014 Financings

On March 17, 2014, we issued the 5 1/2% Notes in the aggregate principal amount of \$200.0 million. After giving effect to \$3.8 million of financing costs, net proceeds of \$196.2 million from the 5 1/2% Notes substantially funded a \$200.0 million partial repayment of the existing Term Loan D under the credit facility.

On June 20, 2014, we completed new term loans in the aggregate principal amount of \$550.0 million (the "new term loans"). After giving effect to \$6.6 million of financing costs, net proceeds of \$543.4 million from the new term loans were substantially used to fund the full repayment of the remaining \$542.5 million balance under Term Loan D.

See Note 6 in our Notes to Consolidated Financial Statements.

Bank Credit Facility

As of June 30, 2014, we maintained a \$1.557 billion credit facility, comprising \$1.341 billion of term loans with maturities ranging from June 2017 to June 2021 and a \$216.0 million revolving credit facility with a scheduled expiry of December 31, 2016.

The credit facility is collateralized by our ownership interests in our operating subsidiaries, and is guaranteed by us on a limited recourse basis to the extent of such ownership interests. The credit agreement governing the credit facility (the "credit agreement") requires our operating subsidiaries to maintain a total leverage ratio (as defined in the credit agreement) of no more than 5.0 to 1.0 and an interest coverage ratio (as defined in the credit agreement) of no less than 1.75 to 1.0. For all periods through June 30, 2014, our operating subsidiaries were in compliance with all covenants under the credit agreement including, as of the same date, a total leverage ratio of 3.5 to 1.0 and an interest coverage ratio of 3.0 to 1.0. We do not believe that our operating subsidiaries will have any difficulty complying with any of the covenants under the credit agreement in the near future.

Interest Rate Swaps

We have entered into several interest rate swaps with various banks to fix the variable rate of borrowings to reduce the potential volatility in our interest expense that may result from changes in market interest rates.

As of June 30, 2014, we had interest rate swaps that fixed the variable rate of \$800 million of borrowings at a rate of 3.3%, of which \$600 million and \$200 million expire during the years ending December 31, 2014 and 2015, respectively. As of the same date, we also had forward starting interest rate swaps that will fix the variable rate of \$300 million of borrowings at a rate of 2.6% for a one year period commencing December 2014.

As of June 30, 2014, the weighted average interest rate on outstanding borrowings under the credit facility, including the effect of our interest rate swaps, was 5.2%.

Senior Notes

As of June 30, 2014, we had \$500 million of outstanding senior notes, comprising \$200 million of 5 1/2% senior notes due April 2021 and \$300 million of 6 3/8% senior notes due April 2023.

Our senior notes are unsecured obligations, and the indentures governing our senior notes (the “indentures”) limit the incurrence of additional indebtedness based upon a maximum debt to operating cash flow ratio (as defined in the indentures) of 8.5 to 1.0. For all periods through June 30, 2014, we were in compliance with covenants under the indentures including, as of the same date, a debt to operating cash flow ratio of 5.0 to 1.0. We do not believe that we will have any difficulty complying with any of the covenants under the indentures in the near future.

Debt Ratings

MCC’s corporate credit rating is B1 by Moody’s, with a positive outlook, and BB- by Standard and Poor’s (“S&P”), with a stable outlook. Our senior unsecured rating is B3 by Moody’s, with a positive outlook, and B by S&P, with a stable outlook.

There can be no assurance that Moody’s or S&P will maintain their ratings on MCC and us. A negative change to these credit ratings could result in higher interest rates on future debt issuance than we currently experience, or adversely impact our ability to raise additional funds. There are no covenants, events of default, borrowing conditions or other terms in the credit agreement or indenture that are based on changes in our credit rating assigned by any rating agency.

Contractual Obligations and Commercial Commitments

Other than the items noted below, there have been no material changes to our contractual obligations and commercial commitments as previously disclosed in our annual report on Form 10-K for the year ended December 31, 2013.

The following table updates scheduled debt maturities and interest expense under our previously disclosed contractual obligations and commercial commitments, on an adjusted basis, for the five years subsequent to December 31, 2013 and thereafter per the items noted in “Liquidity and Capital Resources — Capital Structure — 2014 Financings” and Note 6 in our Notes to Consolidated Financial Statements (dollars in thousands):

	Scheduled Debt Maturities	Interest Expense (1)	Total
2014	\$ 10,750	\$101,253	\$ 112,003
2015-2016	96,500	163,945	260,445
2017-2018	265,750	136,312	402,062
Thereafter	1,541,000	177,158	1,718,158
Total cash obligations	<u>\$ 1,914,000</u>	<u>\$578,668</u>	<u>\$2,492,668</u>

- (1) Interest payments on floating rate debt and interest rate swaps are estimated using amounts outstanding as of December 31, 2013, and the average interest rates applicable under such debt obligations. Interest expense amounts are net of capitalized interest expense.

Critical Accounting Policies

The preparation of our financial statements requires us to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, and related disclosure of contingent assets and liabilities. Periodically, we evaluate our estimates, including those related to doubtful accounts, long-lived assets, capitalized costs and accruals. We base our estimates on historical experience and on various other assumptions that we believe are reasonable. Actual results may differ from these estimates under different assumptions or conditions. We believe that the application of the critical accounting policies requires significant judgments and estimates on the part of management. For a summary of our critical accounting policies, please refer to our annual report on Form 10-K for the year ended December 31, 2013.

Goodwill and Other Intangible Assets

In accordance with the Financial Accounting Standards Board's Accounting Standards Codification No. 350 *Intangibles — Goodwill and Other* ("ASC 350"), the amortization of goodwill and indefinite-lived intangible assets is prohibited and requires such assets to be tested annually for impairment, or more frequently if impairment indicators arise. We have determined that our cable franchise rights and goodwill are indefinite-lived assets and therefore not amortizable.

In accordance with Accounting Standards Update 2010-28 ("ASU 2010-28") — *When to Perform Step 2 of the Goodwill Impairment Test for Reporting Units with Zero or Negative Carrying Amounts (a consensus of the FASB Emerging Issues Task Force)*, and ASU 2011-08 — *Intangibles — Goodwill and Other* (Topic 350), we have evaluated the qualitative factors surrounding our Mediacom Broadband reporting unit. We do not believe that it is "more likely than not" that a goodwill impairment exists and, as such, we have not performed Step 2 of the goodwill impairment test.

Because we believe there has not been a meaningful change in the long-term fundamentals of our business during the first six months of 2014, we determined that there has been no triggering event under ASC 350, and as such, no interim impairment test was required as of June 30, 2014.

Inflation and Changing Prices

Our costs and expenses are subject to inflation and price fluctuations. Such changes in costs and expenses can generally be passed through to customers. Programming costs have historically increased at rates in excess of inflation and are expected to continue to do so. We believe that under the Federal Communications Commission's existing cable rate regulations we may increase rates for cable television services to more than cover any increases in programming. However, competitive conditions and other factors in the marketplace may limit our ability to increase our rates.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

In the event that one or more Lenders (which term, as used in this paragraph (e) shall include such additional financial institutions) offer, in their sole discretion, to enter into such commitments, and such Lenders, the Borrowers and the Administrative Agent (and, if applicable, the Issuing Lenders) agree pursuant to an instrument in writing (the form and substance of which shall be satisfactory, and a copy of which shall be delivered, to the Administrative Agent and the Lenders making such Loans and, if applicable, the Issuing Lenders; any such instrument for any Series of Incremental Loans being herein called an "Incremental Facility Agreement" for such Series) as to the amount of such commitments that shall be allocated to the respective Lenders making such offers, the fees (if any) to be payable by the Borrowers in connection therewith and the amortization and interest rate to be applicable thereto, such Lenders shall become obligated to make Incremental Facility Loans, and (if applicable) to participate in Incremental Facility Letters of Credit, under this Agreement in an amount equal to the amount of their respective Incremental Facility Commitments. In connection with the incurrence of any Refinancing Term Loans that will repay in full any then outstanding Class of Term Loans, if agreed to by the Borrowers, the Administrative Agent and any Lender holding Term Loans of the applicable Class to be repaid, all or a portion of such Lender's Term Loans of such Class may be converted to such Refinancing Term Loans on a "cashless roll" basis in lieu of being repaid.

The amount so received by the Administrative Agent shall, subject to the terms and conditions of this Agreement, be made available to the Borrowers by depositing the same, in immediately available funds, in an account of the Borrowers designated by the Borrowers and maintained with JPMCB at its funding office.

2.03 Letters of Credit. Subject to the terms and conditions of this Agreement, the Revolving Credit Commitments (and, if specified at the time they shall be established, the Incremental Facility Revolving Credit Commitments of any Series) may be utilized, upon the request of the Borrowers, in addition to the Revolving Credit Loans provided for by Section 2.01(a) (and, if applicable, in addition to the Incremental Facility Revolving Credit Loans provided for by Section 2.01(f)), by the issuance by any Issuing Lender of Letters of Credit of the applicable Class for the account of the Borrowers or any of their Subsidiaries (as specified by the relevant Borrower), provided that in no event shall

(ii) the outstanding aggregate amount of all Letter of Credit Liabilities under the Revolving Credit Commitments exceed \$200,000,000, or the outstanding aggregate amount of all Letters of Credit under the Incremental Facility Revolving Credit Commitments of any Series exceed the respective limits therefor specified at the time such Incremental Facility Revolving Credit Commitments are established,

(iii) the expiration date of any Letter of Credit of any Class extend beyond the earlier of the date five Business Days prior to the Revolving Credit Commitment Termination Date (or, in the case of an Incremental Facility Letter of Credit, the commitment termination date of the applicable Series of Incremental Facility Revolving Credit Commitments) and the date twelve months following the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, twelve months after the then-current expiration date of such Letter of Credit, so long as such renewal or extension occurs within three months of such then-current expiration date).

The Borrowers may request any Issuing Lender to issue Letters of Credit for the account of the Borrowers to support an obligation of an Affiliate of the Borrowers so long as the face amount of such Letter of Credit does not exceed the amount of Restricted Payments the Borrowers may then make pursuant to Section 8.09(d). The following additional provisions shall apply to Letters of Credit:

(a) Notice of Issuance. The Borrowers shall give the Administrative Agent at least three Business Days' irrevocable prior notice (effective upon receipt) specifying the Business Day (which shall be no later than 30 days preceding the Revolving Credit Commitment Termination Date or, if applicable, the commitment termination date for the respective Series of Incremental Facility Revolving Credit Commitments) each Letter of Credit is to be issued and the account party or parties therefor and describing in reasonable detail the proposed terms of such Letter of Credit (including the beneficiary thereof) and the nature of the transactions or obligations proposed to be supported thereby (including whether such Letter of Credit is to be a commercial letter of credit or a standby letter of credit). Upon receipt of any such notice, the Administrative Agent shall advise the relevant Issuing Lender of the contents thereof.

(b) Participations in Letters of Credit. On each day during the period commencing with the issuance by any Issuing Lender of any Letter of Credit of any Class and until such Letter of Credit shall have expired or been terminated, the Revolving Credit Commitment of each Revolving Credit Lender (or, as applicable, the Incremental Facility Revolving Credit Commitment of each Incremental Facility Revolving Credit Lender) shall be deemed to be utilized for all purposes of this Agreement in an amount equal to such Lender's Letter of Credit Commitment Percentage of the then undrawn face amount of such Letter of Credit. Each Revolving Credit Lender and each Incremental Facility Revolving Credit Lender (other than the relevant Issuing Lender) agrees that, upon the issuance of any Revolving Credit Letter of Credit or Incremental Facility Letter of Credit hereunder, as applicable, it shall automatically acquire a participation in such Issuing Lender's liability under such Letter of Credit in an amount equal to such Lender's Letter of Credit Commitment Percentage of such liability, and each such Lender (other than the relevant Issuing Lender) thereby shall absolutely, unconditionally and irrevocably assume, as primary obligor and not as surety, and shall be unconditionally obligated to such Issuing Lender to pay and discharge when due, its Letter of Credit Commitment Percentage of such Issuing Lender's liability under such Letter of Credit.

(c) Notice by Issuing Lender of Drawings. Upon receipt from the beneficiary of any Letter of Credit of any demand for payment under such Letter of Credit, the relevant Issuing Lender shall promptly notify the Borrowers (through the Administrative Agent) of the amount to be paid by such Issuing Lender as a result of such demand and the date on which payment is to be made by such Issuing Lender to such beneficiary in respect of such demand. Notwithstanding the identity of the account party of any Letter of Credit, the Borrowers hereby jointly and severally unconditionally agree to pay and reimburse the Administrative Agent for the account of the relevant Issuing Lender for the amount of each demand for payment under such Letter of Credit that is in substantial compliance with the provisions of such Letter of Credit at or prior to the date on which payment is to be made by such Issuing Lender to the beneficiary thereunder, without presentment, demand, protest or other formalities of any kind.

(d) Notice by the Borrowers of Borrowing for Reimbursement. Forthwith upon its receipt of a notice referred to in paragraph (c) of this Section 2.03, the Borrowers shall advise the Administrative Agent whether or not the Borrowers intend to borrow hereunder to finance their obligation to reimburse such Issuing Lender for the amount of the related demand for payment and, if they do, submit a notice of such borrowing as provided in Section 4.05.

(e) Payments by Lenders to Issuing Lender. Each Revolving Credit Lender and each Incremental Facility Revolving Credit Lender (other than the relevant Issuing Lender), as applicable, shall pay to the Administrative Agent for the account of such Issuing Lender at its principal office in Dollars and in immediately available funds, the amount of such Lender's Letter of Credit Commitment Percentage of any payment under a Revolving Credit Letter of Credit or Incremental Facility Letter of Credit, as applicable, upon notice by such Issuing Lender (through the Administrative Agent) to such Lender requesting such payment and specifying such amount. Each such Lender's obligation to make such payment to the Administrative Agent for the account of such Issuing Lender under this paragraph (e), and such Issuing Lender's right to receive the same, shall be absolute and unconditional and shall not be affected by any circumstance

whatsoever, including, without limitation, the failure of any other Lender to make its payment under this paragraph (e), the financial condition of the Borrowers (or any other account party), the existence of any Default or the termination of the Commitments. Each such payment to any Issuing Lender shall be made without any offset, abatement, withholding or reduction whatsoever. If any Revolving Credit Lender or Incremental Facility Revolving Credit Lender shall default in its obligation to make any such payment to the Administrative Agent for the account of an Issuing Lender, for so long as such default shall continue the Administrative Agent may at the request of such Issuing Lender withhold from any payments received by the Administrative Agent under this Agreement for the account of such Lender the amount so in default and, to the extent so withheld, pay the same to such Issuing Lender in satisfaction of such defaulted obligation.

(f) Participations in Reimbursement Obligations. Upon the making of each payment by a Lender to an Issuing Lender pursuant to paragraph (e) above in respect of any Letter of Credit, such Lender shall, automatically and without any further action on the part of the Administrative Agent, such Issuing Lender or such Lender, acquire (i) a participation in an amount equal to such payment in the Reimbursement Obligation owing to such Issuing Lender by the Borrowers hereunder and under the Letter of Credit Documents relating to such Letter of Credit and (ii) a participation in a percentage equal to such Lender's Letter of Credit Commitment Percentage in any interest or other amounts payable by the Borrowers hereunder and under such Letter of Credit Documents in respect of such Reimbursement Obligation (other than the commissions, charges, costs and expenses payable to such Issuing Lender pursuant to paragraph (g) of this Section 2.03). Upon receipt by an Issuing Lender from or for the account of the Borrowers of any payment in respect of any Reimbursement Obligation or any such interest or other amount (including by way of setoff or application of proceeds of any collateral security) such Issuing Lender shall promptly pay to the Administrative Agent for the account of each Lender entitled thereto, such Lender's Letter of Credit Commitment Percentage of such payment, each such payment by such Issuing Lender to be made in the same money and funds in which received by such Issuing Lender. In the event any payment received by an Issuing Lender and so paid to a Lender hereunder is rescinded or must otherwise be returned by such Issuing Lender, such Lender shall, upon the request of such Issuing Lender (through the Administrative Agent), repay to such Issuing Lender (through the Administrative Agent) the amount of such payment paid to such Lender, with interest at the rate specified in paragraph (j) of this Section 2.03.

(g) Letter of Credit Fees. The Borrowers shall pay to the Administrative Agent for the account of each Revolving Credit Lender or Incremental Facility Revolving Credit Lender (ratably in accordance with their respective Letter of Credit Commitment Percentages) a letter of credit fee in respect of each Revolving Credit Letter of Credit or Incremental Facility Letter of Credit, as applicable, in an amount equal to the Applicable Margin, in effect from time to time, for Revolving Credit Loans or Incremental Facility Revolving Credit Loans of the respective Series, as applicable, that are Eurodollar Loans on the daily average undrawn face amount of such Letter of Credit for the period from and including the date of issuance of such Letter of Credit (i) in the case of a Letter of Credit that expires in accordance with its terms, to and including such expiration date and (ii) in the case of a Letter of Credit that is drawn in full or is otherwise terminated other than on the stated expiration date of such Letter of Credit, to but excluding the date such Letter of Credit is drawn in full or is terminated (such fee to be non-refundable, to be paid in arrears on each Quarterly Date and on the Revolving Credit Commitment Termination Date (or, as applicable, the commitment termination date for the Incremental Facility Revolving Credit Commitments of the relevant Series) and to be calculated for any day after giving effect to any payments made under such Letter of Credit on such day).

In addition, the Borrowers shall pay to the Administrative Agent for the account of the relevant Issuing Lender a fronting fee in respect of each Letter of Credit issued by such Issuing Lender in an amount equal to 1/4 of 1% per annum of the daily average undrawn face amount of such Letter of Credit for the period from and including the date of issuance of such Letter of Credit (i) in the case of a Letter of Credit that expires in accordance with its terms, to and including such expiration date and (ii) in the case of a Letter of Credit that is drawn in full or is otherwise terminated other than on the stated expiration date of such Letter of Credit, to but excluding the date such Letter of Credit is drawn in full or is terminated (such fee to be non-refundable, to be paid in arrears on each Quarterly Date and on the Revolving Credit Commitment Termination Date or, as applicable, the commitment termination date for the Incremental Facility Revolving

Credit Commitments of the relevant Series, and to be calculated for any day after giving effect to any payments made under such Letter of Credit on such day) plus all commissions, charges, costs and expenses in the amounts customarily charged by such Issuing Lender from time to time in like circumstances with respect to the issuance of each Letter of Credit and drawings and other transactions relating thereto.

(h) Information Provided by Issuing Lender. Promptly following the end of each calendar month, the Issuing Lenders shall deliver (through the Administrative Agent) to each Revolving Credit Lender or Incremental Facility Revolving Credit Lender, as applicable, and the Borrowers a notice describing the aggregate amount of all Letters of Credit outstanding at the end of such month. Upon the request of any Lender from time to time, the Issuing Lenders shall deliver any other information reasonably requested by such Lender with respect to each Letter of Credit then outstanding in which such Lender holds a Letter of Credit Interest.

(i) Conditions Precedent to Issuance. The issuance by any Issuing Lender of each Letter of Credit shall, in addition to the conditions precedent set forth in Section 6, be subject to the conditions precedent that (i) such Letter of Credit shall be in such form, contain such terms and support such transactions as shall be satisfactory to such Issuing Lender consistent with its then current practices and procedures with respect to letters of credit of the same type and (ii) the Borrowers shall have executed and delivered such applications, agreements and other instruments relating to such Letter of Credit as such Issuing Lender shall have reasonably requested consistent with its then current practices and procedures with respect to letters of credit of the same type, provided that in the event of any conflict between any such application, agreement or other instrument and the provisions of this Agreement or any Security Document, the provisions of this Agreement and the Security Documents shall control.

(j) Interest Payable to Issuing Lender by Lenders. To the extent that any Lender shall fail to pay any amount required to be paid pursuant to paragraph (e) or (f) of this Section 2.03 on the due date therefor, such Lender shall pay interest to the relevant Issuing Lender (through the Administrative Agent) on such amount from and including such due date to but excluding the date such payment is made at a rate per annum equal to the Federal Funds Rate, provided that if such Lender shall fail to make such payment to such Issuing Lender within three Business Days of such due date, then, retroactively to the due date, such Lender shall be obligated to pay interest on such amount at the Post-Default Rate.

(k) Modifications and Supplements. The issuance by an Issuing Lender of any modification or supplement to any Letter of Credit hereunder shall be subject to the same conditions applicable under this Section 2.03 to the issuance of new Letters of Credit, and no such modification or supplement shall be issued hereunder unless either (i) the respective Letter of Credit affected thereby would have complied with such conditions had it originally been issued hereunder in such modified or supplemented form or (ii) the Majority Lenders of the applicable Class shall have consented thereto.

The Borrowers hereby indemnify and hold harmless each Lender and the Administrative Agent from and against any and all claims and damages, losses, liabilities, costs or expenses that such Lender or the Administrative Agent may incur (or that may be claimed against such Lender or the Administrative Agent by any Person whatsoever) by reason of or in connection with the execution and delivery or transfer of or payment or refusal to pay by any Issuing Lender under any Letter of Credit; provided that the Borrowers shall not be required to indemnify any Lender or the Administrative Agent for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by (x) the willful misconduct or gross negligence of any Issuing Lender in determining whether a request presented under any Letter of Credit complied with the terms of such Letter of Credit or (y) in the case of any Issuing Lender, such Lender's failure to pay under any Letter of Credit after the presentation to it of a request strictly complying with the terms and conditions of such Letter of Credit. Nothing in this Section 2.03 is intended to limit the other obligations of the Borrowers, any Lender or the Administrative Agent under this Agreement.

2.04 Changes of Commitments.

(a) Optional Reductions of Commitments. The Borrowers shall have the right at any time or from time to time (i) so long as no Revolving Credit Loans or Letter of Credit Liabilities in respect of Revolving Credit Letters of Credit are outstanding, to terminate the Revolving Credit Commitments, (ii) so long as no Incremental

Facility Revolving Credit Loans or Incremental Facility Letters of Credit of a Series are outstanding, to terminate the Incremental Facility Commitments of such Series and (iii) to reduce the aggregate unused amount of the Revolving Credit Commitments or Incremental Facility Revolving Credit Commitments of any Series (for which purpose use of such Commitments shall be deemed to include the aggregate amount of Letter of Credit Liabilities in respect of Letters of Credit issued under such Commitments); provided that (x) the Borrowers shall give notice of each such termination or reduction as provided in Section 4.05, (y) each partial reduction shall be in an aggregate amount at least equal to \$1,000,000 (or a larger multiple of \$500,000) and (z) each such reduction of Commitments shall be applied ratably to the Commitments of each Class; provided that in connection with the establishment of Replacement Revolving Credit Commitments, the Commitments of any existing Class of the Lenders providing Replacement Revolving Credit Commitments may be reduced on a non-pro rata basis with the Commitments of such Class of other Lenders as directed by the Borrowers.

(b) Mandatory Reductions or Terminations of Commitments. The aggregate amount of the Incremental Facility Commitments of any Series shall be automatically reduced to zero as provided in the applicable Incremental Facility Agreement.

(c) No Reinstatement. Without prejudice to the ability of the Borrowers to obtain additional Incremental Facility Commitments in accordance with Section 2.01(f), the Commitments once terminated or reduced may not be reinstated.

2.05 Commitment Fee. The Borrowers shall pay to the Administrative Agent for the account of each Revolving Credit Lender a commitment fee on the daily average unused amount of such Lender's Revolving Credit Commitment (for which purpose the aggregate amount of any Letter of Credit Liabilities in respect of Revolving Credit Letters of Credit shall be deemed to be a pro rata (based on the Revolving Credit Commitments) use of each Lender's Revolving Credit Commitment), for the period from and including the most recent date of payment under the Second Restated Credit Agreement prior to the Third Restatement Effective Date to but not including the earlier of the date such Revolving Credit Commitment is terminated and the Revolving Credit Commitment Termination Date, at a rate per annum equal to (x) 5/8 of 1% at any time the then-current Rate Ratio (determined pursuant to Section 3.03 of this Agreement) is greater than or equal to 3.00 to 1.00 and (y) 1/2 of 1% at any time the then-current Rate Ratio (so determined) is less than 3.00 to 1.00. Accrued commitment fees shall be payable on each Quarterly Date and on the earlier of the date the Revolving Credit Commitments are terminated and the Revolving Credit Commitment Termination Date.

The Borrowers shall pay to the Administrative Agent for the account of each Incremental Facility Lender of any Series a commitment fee in such amounts, and on such dates, as shall have been agreed to by the Borrowers and such Incremental Facility Lender upon the establishment of the Incremental Facility Commitment of such Series to such Lender pursuant to Section 2.01(f). Accrued commitment fee shall be payable on each Quarterly Date and on the earlier of the date the relevant Commitments are terminated and the date on which the Incremental Facility Commitments of such Series terminate, as the case may be.

2.06 Lending Offices. The Loans of each Type made by each Lender shall be made and maintained at such Lender's Applicable Lending Office for Loans of such Type.

2.07 Several Obligations; Remedies Independent. The failure of any Lender to make any Loan to be made by it on the date specified therefor shall not relieve any other Lender of its obligation to make its Loan on such date, but neither any Lender nor the Administrative Agent shall be responsible for the failure of any other Lender to make a Loan to be made by such other Lender, and (except as otherwise provided in Section 4.06) no Lender shall have any obligation to the Administrative Agent or any other Lender for the failure by such Lender to make any Loan required to be made by such Lender. Anything in this Agreement to the contrary notwithstanding, each Lender hereby agrees with each other Lender that no Lender shall take any action to protect or enforce its rights arising out of this Agreement (including, without limitation, exercising any rights of off-set) without first obtaining the prior written consent of the Administrative Agent or the Majority Lenders, it being the intent of the Lenders that any such action to protect or enforce rights under this Agreement shall be taken in concert and at the direction or with the consent of the Administrative Agent or the Majority Lenders and not individually by a single Lender.

2.08 Loan Accounts; Promissory Notes.

(a) Maintenance of Records by Lenders. Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender resulting from each Loan made by such Lender to the Borrowers, including the amounts of principal and interest payable and paid to such Lender by the Borrowers from time to time hereunder.

(b) Maintenance of Records by the Administrative Agent. The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder to the Borrowers, the Class and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrowers for the account of the Lenders and each Lender's share thereof.

(c) Effect of Entries. The entries made in the accounts maintained pursuant to paragraph (a) or (b) of this Section 2.08 shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Loans in accordance with the terms of this Agreement.

(d) Promissory Notes. Any Lender may request that Loans of any Class made by it to the Borrowers be evidenced by a promissory note. In such event, the Borrowers shall prepare, execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent. Thereafter, the Loans of the Borrowers evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 11.06) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

2.09 Optional Prepayments and Conversions or Continuations of Loans. Subject to Section 4.04, the Borrowers shall have the right to prepay Loans, or to Convert Loans of one Type into Loans of another Type or Continue Loans of one Type as Loans of the same Type, at any time or from time to time, provided that:

(i) the Borrowers shall give the Administrative Agent notice of each such prepayment, Conversion or Continuation as provided in Section 4.05 (and, upon the date specified in any such notice of prepayment, the amount to be prepaid shall become due and payable hereunder);

(ii) Eurodollar Loans may be prepaid or Converted at any time from time to time, provided that the Borrowers shall pay any amounts owing under Section 5.05 in the event of any such prepayment or Conversion on any date other than the last day of an Interest Period for such Loans;

(iii) prepayments of any Class of Term Loans shall be applied to the remaining installments of such Loans ratably in accordance with the respective principal amounts thereof;

(iv) any Conversion or Continuation of Eurodollar Loans shall be subject to the provisions of Section 2.01(f); and

(v) solely with respect to the Tranche I Term Loans, if on or prior to the date that is six calendar months after the Third Restatement Effective Date (A) any optional or mandatory prepayment of the Tranche I Term Loans from the proceeds of a substantially concurrent borrowing of term loans is effected and the interest rate in respect of such term loans is less than the interest rate in respect of the Tranche I Term Loans; provided that, in determining such applicable interest rates, original issue discount ("OID") or upfront fees (but exclusive of any arrangement, structuring or other fees payable in connection therewith that are not shared with all lenders providing such term loans) (which shall be deemed to constitute a like

amount of OID) paid by the Borrowers to the lenders under the term loan in the initial primary syndication thereof shall be included and equated to interest rate (with OID being equated to interest based on an assumed four-year average life), or (B) any Non-Consenting Lender is required to transfer its Loans in connection with the Borrowers' exercise of their rights pursuant to Section 5.08 in connection with an amendment to this Agreement that has the effect of lowering the interest rate (as determined in accordance with the preceding subclause (A)) on the Tranche I Term Loans, then, in each such case, the prepayment or assignment shall be accompanied by a fee equal to 1.00% of the aggregate principal amount of the Tranche I Term Loans, subject to such prepayment or assignment, as applicable.

(vi) solely with respect to the Tranche J Term Loans, if on or prior to the one year anniversary of the Third Restatement Effective Date (A) any optional or mandatory prepayment of the Tranche J Term Loans from the proceeds of a substantially concurrent borrowing of term loans is effected and the interest rate in respect of such term loans is less than the interest rate in respect of the Tranche J Term Loans; provided that, in determining such applicable interest rates, OID or upfront fees (but exclusive of any arrangement, structuring or other fees payable in connection therewith that are not shared with all lenders providing such term loans) (which shall be deemed to constitute a like amount of OID) paid by the Borrowers to the lenders under the term loan in the initial primary syndication thereof shall be included and equated to interest rate (with OID being equated to interest based on an assumed four-year average life), or (B) any Non-Consenting Lender is required to transfer its Loans in connection with the Borrowers' exercise of their rights pursuant to Section 5.08 in connection with an amendment to this Agreement that has the effect of lowering the interest rate (as determined in accordance with the preceding subclause (A)) on the Tranche J Term Loans, then, in each such case, the prepayment or assignment shall be accompanied by a fee equal to 1.00% of the aggregate principal amount of the Tranche J Term Loans, subject to such prepayment or assignment, as applicable.

It shall not be necessary in connection with the prepayment of any Class of Term Loans that concurrent prepayments be made of any other Class of Loans. Notwithstanding the foregoing, and without limiting the rights and remedies of the Lenders under Section 9, in the event that any Event of Default shall have occurred and be continuing, the Administrative Agent may (and at the request of the Majority Lenders shall) suspend the right of the Borrowers to Convert any Loan into a Eurodollar Loan, or to Continue any Loan as a Eurodollar Loan, in which event all Loans shall be Converted (on the last day(s) of the respective Interest Periods therefor) or Continued, as the case may be, as Base Rate Loans.

2.10 Mandatory Prepayments and Reductions of Commitments.

(a) Casualty Events. Upon the date one year following the receipt by any Borrower or any of its Subsidiaries of the proceeds of insurance, condemnation award or other compensation in respect of any Casualty Event affecting any Property of any of the Borrowers or any of their Subsidiaries (or upon such earlier date as the Borrowers or any such Subsidiary, as the case may be, shall have determined not to repair or replace the Property affected by such Casualty Event), the Borrowers shall prepay the Loans (and/or provide cover for Letter of Credit Liabilities as specified in paragraph (f) below) in an aggregate amount, if any, equal to 100% of the Net Available Proceeds of such Casualty Event not theretofore applied (or committed to be applied pursuant to executed construction contracts or equipment orders) to the repair or replacement of such Property, such prepayment to be effected in each case in the manner and to the extent specified in paragraph (e) of this Section 2.10. Notwithstanding the foregoing, the Borrowers shall not be required to make any prepayment (and/or provide cover for Letter of Credit Liabilities) under this paragraph (a) until the aggregate amount of the Net Available Proceeds that must be prepaid under this paragraph (a) exceeds \$20,000,000.

(b) Excess Cash Flow. Not later than the date 150 days after the end of each fiscal year of the Borrowers (or, if earlier, 30 days after the delivery of the audited financial statements for such fiscal year pursuant to Section 8.01(b)), commencing with the fiscal year ending on December 31, 2014, the Borrowers shall prepay the Loans (and/or provide cover for Letter of Credit Liabilities as specified in paragraph (f) below) in an aggregate amount equal to the excess of (A) 50% of Excess Cash Flow for such fiscal year over (B) the aggregate amount of voluntary prepayments of Term Loans made during such fiscal year pursuant to Section 2.09 (other than that portion, if any, of such prepayments applied to installments of the Term Loans falling due in such fiscal year), such prepayment to be effected in each case in the manner and to the extent specified in paragraph (e) of this Section 2.10, provided that the provisions of this paragraph (b) shall not be applicable if as at the last day of such fiscal year the Total Leverage Ratio shall be less than or equal to 4.50 to 1.

(c) Debt Issuances. Subject to Section 2.09(e), upon any Debt Issuance, the Borrowers shall prepay the Loans (and/or provide cover for Letter of Credit Liabilities as specified in paragraph (f) below) in an aggregate amount equal to 100% of the Net Available Proceeds thereof, such prepayment to be effected in each case in the manner and to the extent specified in paragraph (e) of this Section 2.10.

(d) Sale of Assets. Without limiting the obligation of the Borrowers to obtain the consent of the Majority Lenders pursuant to Section 8.05 to any Disposition not otherwise permitted hereunder, in the event that the aggregate Net Available Proceeds of (x) any Disposition (herein, the "Current Disposition") plus (y) all prior Dispositions after the First Restatement Effective Date (including amounts which were set aside for reinvestment pursuant to the second paragraph of this Section 2.10(d) but were not in fact so reinvested within one year) as to which a prepayment has not yet been made under this Section 2.10(d), the proceeds of which have not previously been reinvested or committed to be reinvested in accordance with the next paragraph or applied to a mandatory prepayment (collectively, "Prior Dispositions") shall exceed \$50,000,000, then, no later than five Business Days after the occurrence of the Current Disposition, the Borrowers will deliver to the Administrative Agent (which shall promptly provide a copy thereof to the Lenders) a statement, certified by a Senior Officer, in form and detail satisfactory to the Administrative Agent, of the aggregate amount of the Net Available Proceeds of the Current Disposition and any such Prior Dispositions and will prepay the Loans (and/or provide cover for Letter of Credit Liabilities as specified in paragraph (f) below) in an aggregate amount equal to 100% of such aggregate Net Available Proceeds of the Current Disposition and such Prior Dispositions, such prepayment to be effected in each case in the manner and to the extent specified in paragraph (e) of this Section 2.10. The amount of Net Available Proceeds from Prior Dispositions as of the First Restatement Effective Date was \$6,000,000.

Notwithstanding the foregoing, the Borrowers shall not be required to make a prepayment pursuant to this paragraph (d) with respect to Net Available Proceeds from any Disposition in the event that the Borrowers advise the Administrative Agent at the time the Net Available Proceeds from such Disposition are received that they intend to reinvest such Net Available Proceeds in replacement assets pursuant to an Acquisition permitted under Section 8.05(d)(vi) or in Capital Expenditures, so long as the Net Available Proceeds are applied, to the extent the Borrowers so elect or are required, to prepay Term Loans within 12 months following the receipt of such Net Available Proceeds from a Disposition or, to the extent such Borrower elects, to make or commit to make pursuant to a written agreement to acquire replacement assets pursuant to Section 8.05(d)(iv) or pursuant to an Acquisition pursuant to Section 8.05(d)(vi), provided that such investment occurs and such Net Available Proceeds are so applied within 12 months following the receipt of such Net Available Proceeds or, in the case of funds committed to be invested in such assets pursuant to a written agreement dated within 12 months following the receipt of such Net Available Proceeds, such investment occurs within 18 months following the receipt of such Net Available Proceeds.

(e) Application. Prepayments and reductions of Commitments described above in this Section 2.10 shall be applied, first, to the Term Loans of each Class then outstanding ratably in accordance with the respective principal amounts of such Loans outstanding at the time (except to the extent any Incremental Facility Agreement or Extension Amendment provides that the Term Loans established thereunder shall participate on a less than pro rata basis with any other Class), second, following the prepayment in full of such Loans, to the Revolving Credit Loans and the Incremental Facility Revolving Credit Loans, without reduction of the Revolving Credit Commitments or the Incremental Facility Revolving Credit Commitments and, third, to cover for outstanding Letter of Credit Liabilities as provided in paragraph (f) below, ratably to Letter of Credit Liabilities under the Revolving Credit Commitments and Incremental Facility Revolving Credit Commitments of each Series. Prepayments pursuant to clause (c) of this Section 2.10 shall be applied to the Class or Classes of Term Loans selected by the Borrowers so long as no later maturing Class of Term Loans receives a greater pro rata portion of the Net Available Proceeds described therein than any earlier maturing Class of Term Loans.

(f) Cover for Letter of Credit Liabilities. In the event that the Borrowers shall be required pursuant to this Section 2.10, to provide cover for Letter of Credit Liabilities, the Borrowers shall effect the same by paying to the Administrative Agent immediately available funds in an amount equal to the required amount, which funds shall be retained by the Administrative Agent in the Collateral Account (as collateral security in the first instance for the Letter of Credit Liabilities) until such time as the Letters of Credit shall have been terminated and all of the Letter of Credit Liabilities paid in full.

(g) Change in Commitments. If at any time either (i) the aggregate outstanding amount of Revolving Credit Loans and Letter of Credit Liabilities in respect of Revolving Credit Letters of Credit exceeds the aggregate amount of the Revolving Credit Commitments then in effect, or (ii) the aggregate outstanding amount of Incremental Facility Revolving Credit Loans of any Series and the Letter of Credit Liabilities in respect of Incremental Facility Letters of Credit of such Series exceeds the aggregate amount of the Incremental Facility Revolving Credit Commitments of such Series, then and in either such event the Borrowers shall prepay such Loans (and/or provide cover for such Letter of Credit Liabilities as specified in paragraph (f) above) in such amounts as shall be necessary so that after giving effect to such prepayment (and cover), the aggregate outstanding amount of such Loans and such Letter of Credit Liabilities does not exceed the aggregate amount of such Commitments, provided that any such prepayment shall be accompanied by any amounts payable under Section 5.05.

2.11 Defaulting Lenders. Notwithstanding any provision hereto to the contrary, if any Revolving Credit Lender or Incremental Facility Revolving Credit Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) if any Letters of Credit or Letter of Credit Liabilities of the applicable Class are outstanding, then all or any part of the participation of such Defaulting Lender in such Letters of Credit and Letter of Credit Liabilities shall be reallocated among the non-Defaulting Lenders with Commitments of the applicable Class, in accordance with their respective Commitments of such Class, but only to the extent (x) the sum of all non-Defaulting Lenders' Loans of the applicable Class, and participations in Letter of Credit Liabilities of the applicable Class plus such Defaulting Lender's Letter of Credit Commitment Percentage of the Letter of Credit Liabilities of such Class does not exceed the total of all non-Defaulting Lenders' Commitments, and (y) the conditions set forth in Section 6.02 would be satisfied at such time (determined as if such reallocation constituted the issuance of a new Letter of Credit at such time).

(b) if the reallocation described in clause (a) above cannot, or can only partially, be effected, the Borrowers shall within one Business Day following notice by the Administrative Agent provide cash cover for such Defaulting Lender's Letter of Credit Commitment Percentage of the Letters of Credit and Letter of Credit Liabilities of the applicable Class (after giving effect to any partial reallocation pursuant to clause (a) above) in accordance with the procedures set forth in Section 2.10(f) of this Agreement for so long as such Letters of Credit or Letter of Credit Liabilities are outstanding.

2.12 Extended Term Loans. The Borrowers may at any time and from time to time request that all or a portion of the Term Loans of any Class (an "Existing Class") be converted to extend the scheduled maturity date(s) of any payment or payments of principal (including at final maturity) with respect to such Term Loans (any such Term Loans which have been so converted, "Extended Term Loans") and to provide for other terms consistent with this Section 2.12. In order to establish Extended Term Loans, the Borrowers shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Class) (an "Extension Request") setting forth the proposed terms of the Extended Term Loans to be established, which shall be identical in all material respects to the Term Loans under the Existing Class from which such Extended Term Loans are to be converted except that (i) all or any of the scheduled amortization payments of principal and payment at maturity of the Extended Term Loans may be delayed to later dates than the scheduled amortization payments of principal and payment at maturity of the Term Loans of such Existing Class to the extent provided in the applicable Extension Request, (ii) the interest rate and fee provisions with respect to the Extended Term Loans may be different from those applicable to the Term Loans of such Existing Class, in each case, to the extent provided in the applicable Extension Request, and (iii) the Extension Request may provide for other covenants and terms (x) that apply solely to any period after the Latest Maturity Date at the time such Indebtedness is incurred or after approval thereof by the Majority Lenders or (y) that are less favorable to the holders of the Extended Term Loans than the covenants and terms applicable to the Existing Class. The Borrowers shall provide the applicable Extension Request at least three (3) Business Days prior to the date on which Lenders are requested to respond. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Class converted into Extended Term Loans pursuant to any Extension Request. Any Lender (an "Extending Term Lender") wishing to have all or a portion of its Term Loans of the applicable Existing Class subject to such Extension Request converted into Extended

Term Loans shall notify the Administrative Agent in writing (an “Extension Election”) on or prior to the date specified in such Extension Request of the amount of its Term Loans of the applicable Existing Class which it has elected to request be converted into Extended Term Loans (subject to any minimum denomination requirements reasonably imposed by the Administrative Agent). In the event that the aggregate amount of Term Loans of the applicable Existing Class subject to Extension Elections exceeds the amount of Extended Term Loans requested pursuant to the Extension Request, Term Loans of the applicable Existing Class subject to Extension Elections shall be converted to Extended Term Loans on a pro rata basis based on the amount of Term Loans of the applicable Existing Class included in each such Extension Election. If Extended Term Loans are established, remaining amortization payments on the Existing Class of Term Loans shall be correspondingly reduced. The final terms of the Extended Term Loans (which shall be consistent with the Extension Request) and the allocations of the Extended Term Loans among the Extending Term Lenders shall be as set forth in the applicable Extension Amendment entered into by the Borrowers, the Administrative Agent and the Extending Term Lenders. The Extended Term Loans established pursuant to a single Extension Amendment shall, unless specified to be an increase in a previously established Class of Term Loans constitute a separate Class (an “Extension Series”) of Term Loans for all purposes of this Agreement.

2.13 Loan Buy-backs. Notwithstanding anything to the contrary in Section 2.09, the Borrowers shall have the right at any time and from time to time to offer to prepay Term Loans of any Class to the Lenders at a prepayment price which is less than the principal amount of such Term Loans and on a non pro rata basis (each, an “Offered Voluntary Prepayment”) pursuant to procedures satisfactory to the Administrative Agent so long as (A) no Default or Event of Default has occurred and is continuing or would result from such Offered Voluntary Prepayment, (B) after giving effect to such Offered Voluntary Prepayment, the sum of the unrestricted cash and cash equivalents of the Borrowers on a consolidated basis and the unfunded Revolving Credit Commitments and Incremental Facility Revolving Credit Commitments would not be less than \$100,000,000 and (C) after giving effect to such Offered Voluntary Prepayment, the Borrowers would be in pro forma compliance with Section 8.10 as of the last day of the most recently ended fiscal quarter for which financial statements have been delivered. Any Offered Voluntary Prepayment shall be offered to all Lenders with Term Loans of the Class selected by the Borrower on a pro rata basis and the Borrowers shall deliver to the Administrative Agent an officer’s certificate stating that (1) no Default or Event of Default has occurred and is continuing or would result from such Offered Voluntary Prepayment, (2) each of the conditions to such Offered Voluntary Prepayment contained in this Section 2.13 has been satisfied, (3) any Term Loans acquired by the Borrowers will be cancelled immediately and automatically, (4) the Borrowers have no Material Information with respect to the Borrowers, their Affiliates or the Loans that has not been provided to the Administrative Agent for disclosure to the Lenders (other than Public Lenders) and (5) the Borrowers were not directed to make the prepayment offer by any Affiliate which, to the knowledge of the Borrowers following due inquiry, had any such undisclosed Material Information. Any Term Loans that Lenders elect to have prepaid pursuant to an Offered Voluntary Prepayment shall no longer be outstanding following payment by the Borrowers of the agreed upon consideration.

Section 3. Payments of Principal and Interest.

3.01 Repayment of Loans.

(a) Revolving Credit Loans. The Borrowers hereby jointly and severally promise to pay to the Administrative Agent for the account of each Lender the entire outstanding principal amount of such Lender’s Revolving Credit Loans, and each Revolving Credit Loan shall mature, on the Revolving Credit Commitment Termination Date.

(b) Tranche G Term Loans. The Borrowers jointly and severally unconditionally promise to pay to the Administrative Agent, for the account of the Tranche G Term Loan Lenders the principal of the Tranche G Term Loans held by the Tranche G Term Loan Lenders on each Principal Payment Date set forth in column (A) below in the principal amount set forth opposite such date in column (B) below:

(A) <u>Principal Payment Date</u>	(B) <u>Principal Reduction</u>
June 30, 2014	\$ 500,000

(f) Incremental Facility Revolving Credit Loans. The Borrowers hereby jointly and severally promise to pay to the Administrative Agent for the account of each Lender the entire outstanding principal amount of such Lender's Incremental Facility Revolving Credit Loans of any Series, and each Incremental Facility Revolving Credit Loan of such Series shall mature, on the commitment termination date for such Series specified pursuant to Section 2.01(f) at the time the respective Incremental Facility Revolving Credit Commitments of such Series are established.

(g) Incremental Facility Term Loans and Extended Term Loans. The Borrowers hereby jointly and severally promise to pay to the Administrative Agent for the account of the Incremental Facility Term Lenders of any Series the principal of the Incremental Facility Term Loans of such Series on the respective Principal Payment Dates agreed upon between the Borrowers and such Incremental Facility Term Lenders pursuant to Section 2.01(f) at the time such Lenders become obligated to make such Incremental Facility Term Loans hereunder. The Borrowers hereby jointly and severally promise to pay to the Administrative Agent for the account of the Extending Term Lenders of any Extension Series the principal of the Extended Term Loans of such Extension Series on the respective Principal Payment Dates agreed upon between the Borrowers and such Extending Term Lenders pursuant to Section 2.12 at the time such Extended Term Loans were provided for hereunder.

(h) Tranche D Term Loans. The Borrower hereby jointly and severally agree to repay to each Lender with Tranche D Term Loans (other than Tranche I Converted Tranche D Term Loans and Tranche J Converted Tranche D Term Loans) the full principal amount of such Tranche D Term Loans together with all accrued and unpaid interest thereon on the Third Restatement Effective Date.

3.02 Interest. The Borrowers hereby jointly and severally promise to pay to the Administrative Agent for the account of each Lender interest on the unpaid principal amount of each Loan made by such Lender for the period from and including the date of such Loan (including, to the extent not previously paid, all accrued interest on such Loan under the Second Restated Credit Agreement) to but excluding the date such Loan shall be paid in full, at the following rates per annum:

(a) during such periods as such Loan is a Base Rate Loan, the Base Rate (as in effect from time to time) plus the Applicable Margin and

(b) during such periods as such Loan is a Eurodollar Loan, for each Interest Period relating thereto, the Eurodollar Rate for such Loan for such Interest Period plus the Applicable Margin.

Notwithstanding the foregoing, the Borrowers jointly and severally promise to pay to the Administrative Agent for the account of each Lender interest at the applicable Post-Default Rate on any principal of any Loan made by such Lender, on any Reimbursement Obligation held by such Lender and on any other amount payable by the Borrowers hereunder to or for the account of such Lender, that shall not be paid in full when due (whether at stated maturity, by acceleration, by mandatory prepayment or otherwise), for the period from and including the due date thereof to but excluding the date the same is paid in full. Accrued interest on each Loan shall be payable (i) in the case of a Base Rate Loan, quarterly on the Quarterly Dates, (ii) in the case of a Eurodollar Loan, on the last day of each Interest Period therefor and, if such Interest Period is longer than three months, at three-month intervals following the first day of such Interest Period, (iii) in the case of any Eurodollar Loan, upon the payment, prepayment or Conversion thereof (but only on the principal amount so paid, prepaid or Converted) and (iv) in the case of all Loans, upon the payment or prepayment in full of the principal of the Loans, and the termination of the Commitments, hereunder, except that interest payable at the Post-Default Rate shall be payable from time to time on demand. Promptly after the determination of any interest rate provided for herein or any change therein, the Administrative Agent shall give notice thereof to the Lenders to which such interest is payable and to the Borrowers.

3.03 Determination of Applicable Margin.

(a) Determinations Generally. To the extent applicable, the Applicable Margin for the period from April 1, 2014 to the day prior to the first Quarterly Date occurring after the Third Restatement Effective Date shall be determined based upon the most recent certificate delivered pursuant to Section 3.03 of the Second Restated Credit Agreement. Thereafter, the Applicable Margin for each Quarterly Payment Period shall be determined based upon a Rate Ratio Certificate for such Quarterly Payment Period delivered by the Borrowers to the Administrative Agent under this Section 3.03. If the Rate Ratio Certificate for any Quarterly Payment Period is delivered to the Administrative Agent (which shall promptly provide a copy thereof to the Lenders) three or more days prior to the first day of such Quarterly Payment Period, any adjustment in the Applicable Margin required to be made, as shown in such Rate Ratio Certificate, shall be effective on the first day of such Quarterly Payment Period.

(b) Effectiveness of Adjustments. If the Rate Ratio Certificate for any Quarterly Payment Period is delivered by the Borrowers to the Administrative Agent later than three days prior to the commencement of such

Quarterly Payment Period, then (i) any decrease in the Applicable Margin for such Quarterly Payment Period shall not become effective on the first day of such Quarterly Payment Period but shall instead become effective on the third day following receipt by the Administrative Agent of such Rate Ratio Certificate and (ii) any increase in the Applicable Margin for such Quarterly Payment Period shall become effective retroactively from the first day of such Quarterly Payment Period.

(c) Retroactive Adjustments. If it shall be determined at any time, on the basis of a certificate of a Senior Officer delivered pursuant to the last sentence of Section 8.01 (or pursuant to the Second Restated Credit Agreement), that the Applicable Margin then in effect for the current Quarterly Payment Period, or any previous Quarterly Payment Period, is or was incorrect, and that a correction would have the effect of increasing the Applicable Margin, then the Applicable Margin shall be so increased (solely with respect to such Quarterly Payment Period or Periods), effective retroactively from the first day of such Quarterly Payment Period, provided that in the event such certificate for any fiscal quarter is not delivered pursuant to Section 8.01 within 60 days of the end of such fiscal quarter, then, unless the Borrowers shall deliver such certificate within 10 days after notice of such non-delivery shall be given by any Lender or the Administrative Agent to the Borrowers, the Applicable Margin for such Quarterly Payment Period shall be deemed to be the highest Applicable Margin provided for in the definition of such term in Section 1.01; provided further, that for avoidance of doubt, the parties acknowledge that Section 3.03 of the Original Credit Agreement, First Restated Credit Agreement, or Second Restated Credit Agreement, as applicable, shall continue to be applicable to Quarterly Payment Periods (as defined therein) for periods prior to the Third Restatement Effective Date, and any adjustment required pursuant thereto shall continue to apply.

(d) Recalculation of Interest. In the event of any retroactive increase in the Applicable Margin for any Quarterly Payment Period pursuant to paragraph (a), (b) or (c) above, the amount of interest in respect of any applicable Loan outstanding during all or any portion of such Quarterly Payment Period shall be recalculated using the Applicable Margin as so increased. On the Business Day immediately following receipt by the Borrowers of notice from the Administrative Agent of such increase, the Borrowers shall pay to the Administrative Agent, for the account of the Lenders, an amount equal to the difference between (i) the amount of interest previously paid or payable by the Borrowers in respect of such Loan for such Quarterly Payment Period and (ii) the amount of interest in respect of such Loan as so recalculated for such Quarterly Payment Period.

Section 4. Payments; Pro Rata Treatment; Computations; Etc.

4.01 Payments.

(a) Payments by the Borrowers. Except to the extent otherwise provided herein, all payments of principal, interest, Reimbursement Obligations and other amounts to be made by the Borrowers under this Agreement, and except to the extent otherwise provided therein, all payments to be made by the Borrowers under any other Loan Document shall be made in Dollars, in immediately available funds, without deduction, set-off or counterclaim, to the Administrative Agent at an account designated by the Administrative Agent to the Borrowers, not later than 1:00 p.m. New York time on the date on which such payment shall become due (each such payment made after such time on such due date to be deemed to have been made on the next succeeding Business Day).

(b) Debit for Payment. Any Lender for whose account any such payment is to be made may (but shall not be obligated to) debit the amount of any such payment that is not made by such time to any ordinary deposit account of the Borrowers with such Lender (with notice to the Borrowers and the Administrative Agent), provided that such Lender's failure to give such notice shall not affect the validity thereof.

(c) Application of Payments. The Borrowers shall, at the time of making each payment under this Agreement for the account of any Lender, specify to the Administrative Agent (which shall so notify the intended recipient(s) thereof) the Loans, Reimbursement Obligations or other amounts payable by the Borrowers hereunder to which such payment is to be applied (and in the event that the Borrowers fail to so specify, or if an Event of Default has occurred and is continuing, the Administrative Agent may distribute such payment to the Lenders for application in such manner as it or the Majority Lenders, subject to Section 4.02, may determine to be appropriate).

(d) Forwarding of Payments by Administrative Agent. Except to the extent otherwise provided in the last sentence of Section 2.03(e), each payment received by the Administrative Agent under this Agreement for the

account of any Lender shall be paid by the Administrative Agent promptly to such Lender, in immediately available funds, for the account of such Lender's Applicable Lending Office for the Loan or other obligation in respect of which such payment is made.

(e) Extensions to Next Business Day. If the due date of any payment under this Agreement would otherwise fall on a day that is not a Business Day, such date shall be extended to the next succeeding Business Day, and interest shall be payable for any principal so extended for the period of such extension.

4.02 Pro Rata Treatment. Except to the extent otherwise provided herein:

(a) each borrowing of Loans of a particular Class from the Lenders under Section 2.01 shall be made from the relevant Lenders, each payment of commitment fee under Section 2.05 in respect of Commitments of a particular Class shall be made for the account of the relevant Lenders, and each termination or reduction of the amount of the Commitments of a particular Class under Section 2.04 shall be applied to the respective Commitments of such Class of the relevant Lenders, pro rata according to the amounts of their respective Commitments of such Class;

(b) except as otherwise provided in Section 5.04, Eurodollar Loans of any Class having the same Interest Period shall be allocated pro rata among the relevant Lenders according to the amounts of their respective Commitments of the relevant Class (in the case of the making of Loans) or their respective Loans of the relevant Class (in the case of Conversions and Continuations of Loans);

(c) each payment or prepayment of principal of Loans of any Class by the Borrowers shall be made for the account of the relevant Lenders pro rata in accordance with the respective unpaid principal amounts of the Loans of such Class held by them; and

(d) each payment of interest on Loans of any Class by the Borrowers shall be made for the account of the relevant Lenders pro rata in accordance with the amounts of interest on such Loans then due and payable to the respective Lenders.

4.03 Computations. Interest on Eurodollar Loans shall be computed on the basis of a year of 360 days and actual days elapsed (including the first day but excluding the last day) occurring in the period for which payable and interest on Base Rate Loans and Reimbursement Obligations, commitment fee and letter of credit fees shall be computed on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed (including the first day but, except as otherwise provided in Section 2.03(g), excluding the last day) occurring in the period for which payable. Notwithstanding the foregoing, for each day that the Base Rate is calculated by reference to the Federal Funds Rate, interest on Base Rate Loans shall be computed on the basis of a year of 360 days and actual days elapsed.

4.04 Minimum Amounts. Except for mandatory prepayments made pursuant to Section 2.10 and Conversions or prepayments made pursuant to Section 5.04, each borrowing, Conversion and partial prepayment of principal of Base Rate Loans (other than mandatory prepayments of Term Loans, as to which the provisions of Section 2.10 shall apply) shall be in an aggregate amount at least equal to \$1,000,000 or a larger multiple of \$500,000 and each borrowing, Conversion and partial prepayment of Eurodollar Loans (other than prepayments of Term Loans, as to which the provisions of Section 2.09(c) shall apply) shall be in an aggregate amount at least equal to \$3,000,000 or a larger multiple of \$1,000,000 (borrowings, Conversions or prepayments of or into Loans of different Types or, in the case of Eurodollar Loans, having different Interest Periods at the same time hereunder to be deemed separate borrowings, Conversions and prepayments for purposes of the foregoing, one for each Type or Interest Period). If any Eurodollar Loans would otherwise be in a lesser principal amount for any period, such Loans shall be Base Rate Loans during such period.

4.05 Certain Notices. Notices by the Borrowers to the Administrative Agent of terminations or reductions of the Commitments, of borrowings, Conversions, Continuations and optional prepayments of Loans and of Classes of Loans, of Types of Loans and of the duration of Interest Periods shall be irrevocable and shall be effective only if received by the Administrative Agent not later than (a) with respect to same-day borrowings or prepayments

of Base Rate Loans, 11:00 a.m. New York time on the date of the relevant borrowing or prepayment and (b) with respect to borrowings other than same-day Base Rate Loans or prepayments of Loans other than Base Rate Loans, 1:00 p.m. New York time on the number of Business Days prior to the date of the relevant termination, reduction, borrowing, Conversion, Continuation or prepayment or the first day of such Interest Period specified below:

<u>Notice</u>	<u>Number of Business Days Prior</u>
Termination or reduction of Commitments	3
Borrowing of same-day Base Rate Loans and prepayment of Base Rate Loans	Same day
Borrowing of non-same day Base Rate Loans	1
Conversions into Base Rate Loans	1
Borrowing or prepayment of, Conversions into, Continuations as, or duration of Interest Period for, Eurodollar Loans	3

Each such notice of termination or reduction shall specify the amount and the Class of the Commitments to be terminated or reduced. Each such notice of borrowing, Conversion, Continuation or optional prepayment shall specify the Class of Loans to be borrowed, Converted, Continued or prepaid and the amount (subject to [Section 4.04](#)) and Type of each Loan to be borrowed, Converted, Continued or prepaid and the date of borrowing, Conversion, Continuation or optional prepayment (which shall be a Business Day). Each such notice of the duration of an Interest Period shall specify the Loans to which such Interest Period is to relate.

The Administrative Agent shall promptly notify the Lenders of the contents of each such notice. In the event that the Borrowers fail to select the Type of Loan, or the duration of any Interest Period for any Eurodollar Loan, within the time period and otherwise as provided in this [Section 4.05](#), such Loan (if outstanding as a Eurodollar Loan) will be automatically Converted into a Base Rate Loan on the last day of the then current Interest Period for such Loan or (if outstanding as a Base Rate Loan) will remain as, or (if not then outstanding) will be made as, a Base Rate Loan.

4.06 Non-Receipt of Funds by the Administrative Agent. Unless the Administrative Agent shall have been notified by a Lender or the Borrowers (the “Payor”) prior to the date on which the Payor is to make payment to the Administrative Agent of (in the case of a Lender) the proceeds of a Loan to be made by such Lender hereunder or (in the case of the Borrowers) a payment to the Administrative Agent for the account of one or more of the Lenders hereunder (such payment being herein called the “Required Payment”), which notice shall be effective upon receipt, that the Payor does not intend to make the Required Payment to the Administrative Agent, the Administrative Agent may assume that the Required Payment has been made and may, in reliance upon such assumption (but shall not be required to), make the amount thereof available to the intended recipient(s) on such date; and, if the Payor has not in fact made the Required Payment to the Administrative Agent, the recipient(s) of such payment shall, on demand, repay to the Administrative Agent the amount so made available together with interest thereon in respect of each day during the period commencing on the date (the “Advance Date”) such amount was so made available by the Administrative Agent until the date the Administrative Agent recovers such amount at a rate per annum equal to the Federal Funds Rate for such day and, if such recipient(s) shall fail promptly to make such payment, the Administrative Agent shall be entitled to recover such amount, on demand, from the Payor, together with interest as aforesaid, provided that if neither the recipient(s) nor the Payor shall return the Required Payment to the Administrative Agent within three Business Days of the Advance Date, then, retroactively to the Advance Date, the Payor and the recipient(s) shall each be obligated to pay interest on the Required Payment as follows:

(i) if the Required Payment shall represent a payment to be made by the Borrowers to the Lenders, the Borrowers and the recipient(s) shall each be obligated retroactively to the Advance Date to pay interest in respect of the Required Payment at the Post-Default Rate (without duplication of the obligation of the Borrowers under [Section 3.02](#) to pay interest on the Required Payment at the Post-Default Rate), it being understood that the return by the recipient(s) of the Required Payment to the Administrative Agent shall not limit such obligation of the Borrowers under [Section 3.02](#) to pay interest at the Post-Default Rate in respect of the Required Payment and

(ii) if the Required Payment shall represent proceeds of a Loan to be made by the Lenders to the Borrowers, the Payor and the Borrowers shall each be obligated retroactively to the Advance Date to pay interest in respect of the Required Payment pursuant to whichever of the rates specified in Section 3.02 is applicable to the Type of such Loan, it being understood that the return by the Borrowers of the Required Payment to the Administrative Agent shall not limit any claim the Borrowers may have against the Payor in respect of such Required Payment.

4.07 Sharing of Payments, Etc.

(a) Right of Set-off. Each Borrower agrees that, in addition to (and without limitation of) any right of set-off, banker's lien or counterclaim a Lender may otherwise have, each Lender shall be entitled, at its option (to the fullest extent permitted by law), to set off and apply any deposit (general or special, time or demand, provisional or final), or other indebtedness, held by it for the credit or account of such Borrower at any of its offices, in Dollars or in any other currency, against any principal of or interest on any of such Lender's Loans, Reimbursement Obligations or any other amount payable to such Lender hereunder, that is not paid when due (regardless of whether such deposit or other indebtedness are then due to such Borrower), in which case it shall promptly notify such Borrower and the Administrative Agent thereof, provided that such Lender's failure to give such notice shall not affect the validity thereof.

(b) Sharing. If any Lender shall obtain from any Borrower payment of any principal of or interest on any Loan or Letter of Credit Liability of any Class owing to it or payment of any other amount under this Agreement or any other Loan Document through the exercise of any right of set-off, banker's lien or counterclaim or similar right or otherwise (other than from the Administrative Agent as provided herein), and, as a result of such payment, such Lender shall have received a greater percentage of the principal of or interest on the Loans or Letter of Credit Liabilities of any Class or such other amounts then due hereunder or thereunder by such Borrower to such Lender than the percentage received by any other Lender, it shall promptly purchase from such other Lenders participations in (or, if and to the extent specified by such Lender, direct interests in) the Loans or Letter of Credit Liabilities of any Class or such other amounts, respectively, owing to such other Lenders (or in interest due thereon, as the case may be) in such amounts, and make such other adjustments from time to time as shall be equitable, to the end that all the Lenders shall share the benefit of such excess payment (net of any expenses that may be incurred by such Lender in obtaining or preserving such excess payment) pro rata in accordance with the unpaid principal of and/or interest on the Loans or Letter of Credit Liabilities of any Class or such other amounts, respectively, owing to each of the Lenders. To such end all the Lenders shall make appropriate adjustments among themselves (by the resale of participations sold or otherwise) if such payment is rescinded or must otherwise be restored.

(c) Consent by the Borrowers. Each Borrower agrees that any Lender so purchasing such a participation (or direct interest) may exercise all rights of set-off, banker's lien, counterclaim or similar rights with respect to such participation as fully as if such Lender were a direct holder of Loans or other amounts (as the case may be) owing to such Lender in the amount of such participation.

(d) Rights of Lenders; Bankruptcy. Nothing contained herein shall require any Lender to exercise any such right or shall affect the right of any Lender to exercise, and retain the benefits of exercising, any such right with respect to any other indebtedness or obligation of the Borrowers. If, under any applicable bankruptcy, insolvency or other similar law, any Lender receives a secured claim in lieu of a set-off to which this Section 4.07 applies, such Lender shall, to the extent practicable, exercise its rights in respect of such secured claim in a manner consistent with the rights of the Lenders entitled under this Section 4.07 to share in the benefits of any recovery on such secured claim.

Section 5. Yield Protection, Etc.

5.01 Additional Costs.

(a) Costs of Making or Maintaining Eurodollar Loans. The Borrowers shall pay directly to each Lender from time to time such amounts as such Lender may determine to be necessary to compensate such Lender for any costs that such Lender determines are attributable to its making or maintaining of any Eurodollar Loans or its obligation to make any Eurodollar Loans hereunder, or any reduction in any amount receivable by such Lender hereunder in respect of any of such Loans or such obligation (such increases in costs and reductions in amounts receivable being herein called "Additional Costs"), resulting from any Change in Law that:

(i) shall subject any Lender (or its Applicable Lending Office for any of such Loans) to any tax, duty or other charge in respect of such Loans or changes the basis of taxation of any amounts payable to such Lender under this Agreement in respect of any of such Loans (excluding changes in the rate of tax on the overall net income of such Lender or of such Applicable Lending Office by the jurisdiction in which such Lender has its principal office or such Applicable Lending Office); or

(ii) imposes or modifies any reserve, special deposit or similar requirements (other than the Reserve Requirement utilized in the determination of the Eurodollar Rate for such Loan) relating to any extensions of credit or other assets of, or any deposits with or other liabilities of, such Lender (including, without limitation, any of such Loans or any deposits referred to in the definition of "Eurodollar Base Rate" in Section 1.01), or any commitment of such Lender (including, without limitation, the Commitments of such Lender hereunder); or

(iii) imposes any other condition affecting this Agreement (or any of such extensions of credit or liabilities) or its Commitments.

If any Lender requests compensation from the Borrowers under this Section 5.01(a), the Borrowers may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender thereafter to make or Continue Eurodollar Loans, or to Convert Base Rate Loans into Eurodollar Loans, until the Change in Law giving rise to such request ceases to be in effect (in which case the provisions of Section 5.04 shall be applicable), provided that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(b) Capital Costs. If any Lender or Issuing Lender determines that any Change in Law affecting such Lender or Issuing Lender or any lending office of such Lender or such Lender's or Issuing Lender's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender's or Issuing Lender's capital or on the capital of such Lender's or Issuing Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by any Issuing Lender, to a level below that which such Lender or Issuing Lender or such Lender's or Issuing Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or Issuing Lender's policies and the policies of such Lender's or Issuing Lender's holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender or Issuing Lender, as the case may be, such additional amount or amounts as will compensate such Lender or Issuing Lender or such Lender's or Issuing Lender's holding company for any such reduction suffered.

(c) Notification and Certification. Each Lender shall notify the Borrowers of any event occurring after the First Restatement Effective Date entitling such Lender to compensation under paragraph (a) or (b) of this Section 5.01 as promptly as practicable, but in any event within 45 days, after such Lender obtains actual knowledge thereof; provided that (i) if any Lender fails to give such notice within 45 days after it obtains actual knowledge of such an event, such Lender shall, with respect to compensation payable pursuant to this Section 5.01 in respect of any costs resulting from such event, only be entitled to payment under this Section 5.01 for costs incurred from and after the date 45 days prior to the date that such Lender does give such notice and (ii) each Lender will designate a different Applicable Lending Office for the Loans of such Lender affected by such event if such designation will avoid the need for, or reduce the amount of, such compensation and will not, in the sole opinion of such Lender, be disadvantageous to such Lender, except that such Lender shall have no obligation to designate an Applicable Lending Office located in the United States of America. Each Lender will furnish to the Borrowers a certificate setting forth the basis and amount of each request by such Lender for compensation under paragraph (a) or (b) of this Section 5.01. Determinations and allocations by any Lender for purposes of this Section 5.01 of the effect of any Change in Law pursuant to paragraph (a) of this Section 5.01, or of the effect of capital maintained pursuant to paragraph (b) of this Section 5.01, on its costs or rate of return of maintaining Loans or its obligation to make Loans, or on amounts receivable by it in respect of Loans, and of the amounts required to compensate such Lender under this Section 5.01, shall be conclusive, provided that such determinations and allocations are made on a reasonable basis.

5.02 Limitation on Types of Loans. Anything herein to the contrary notwithstanding, if, on or prior to the determination of any Eurodollar Base Rate for any Interest Period:

(a) the Administrative Agent determines, which determination shall be conclusive, that quotations of interest rates for the relevant deposits referred to in the definition of "Eurodollar Base Rate" in Section 1.01 are not being provided in the relevant amounts or for the relevant maturities for purposes of determining rates of interest for Eurodollar Loans as provided herein; or

(b) if the related Loans are of a particular Class, the Majority Lenders of such Class determine, which determination shall be conclusive, and notify the Administrative Agent that the relevant rates of interest referred to in the definition of "Eurodollar Base Rate" in Section 1.01 upon the basis of which the rate of interest for Eurodollar Loans for such Interest Period is to be determined are not likely adequately to cover the cost to such Lenders of making or maintaining Eurodollar Loans for such Interest Period;

then the Administrative Agent shall give the Borrowers and each Lender prompt notice thereof and, so long as such condition remains in effect, the Lenders shall be under no obligation to make additional Eurodollar Loans, to Continue Eurodollar Loans or to Convert Base Rate Loans into Eurodollar Loans, and the Borrowers shall, on the last day(s) of the then current Interest Period(s) for the outstanding Eurodollar Loans, either prepay such Loans or Convert such Loans into Base Rate Loans in accordance with Section 2.09.

5.03 Illegality. Notwithstanding any other provision of this Agreement, in the event that it becomes unlawful for any Lender or its Applicable Lending Office to honor its obligation to make or maintain Eurodollar Loans hereunder (and, in the sole opinion of such Lender, the designation of a different Applicable Lending Office would either not avoid such unlawfulness or would be disadvantageous to such Lender), then such Lender shall promptly notify the Borrowers thereof (with a copy to the Administrative Agent) and such Lender's obligation to make or Continue, or to Convert Loans of any other Type into, Eurodollar Loans shall be suspended until such time as such Lender may again make and maintain Eurodollar Loans (in which case the provisions of Section 5.04 shall be applicable).

5.04 Treatment of Affected Loans. If the obligation of any Lender to make Eurodollar Loans of any Class or to Continue, or to Convert Base Rate Loans into, Eurodollar Loans of any Class shall be suspended pursuant to Section 5.01 or 5.03, such Lender's Eurodollar Loans of such Class shall be automatically Converted into Base Rate Loans of such Class on the last day(s) of the then current Interest Period(s) for Eurodollar Loans (or, in the case of a Conversion resulting from a circumstance described in Section 5.03, on such earlier date as such Lender may specify to the Borrowers with a copy to the Administrative Agent) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 5.01 or 5.03 that gave rise to such Conversion no longer exist:

(a) to the extent that such Lender's Eurodollar Loans of such Class have been so Converted, all payments and prepayments of principal that would otherwise be applied to such Lender's Eurodollar Loans of such Class shall be applied instead to its Base Rate Loans of such Class; and

(b) all Loans of such Class that would otherwise be made or Continued by such Lender as Eurodollar Loans shall be made or Continued instead as Base Rate Loans, and all Base Rate Loans of such Class of such Lender that would otherwise be Converted into Eurodollar Loans shall remain as Base Rate Loans.

If such Lender gives notice to the Borrowers with a copy to the Administrative Agent that the circumstances specified in Section 5.01 or 5.03 that gave rise to the Conversion of such Lender's Eurodollar Loans pursuant to this Section 5.04 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurodollar Loans of the same Class made by other Lenders are outstanding, such Lender's Base Rate Loans of such Class shall be automatically Converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurodollar Loans, to the extent necessary so that, after giving effect thereto, all Base Rate and Eurodollar Loans of such Class are allocated among the Lenders ratably (as to principal amounts, Types and Interest Periods) in accordance with their respective Commitments of such Class.

5.05 Compensation. The Borrowers shall pay to the Administrative Agent for the account of each Lender, upon the request of such Lender through the Administrative Agent, such amount or amounts as shall be sufficient (in the reasonable opinion of such Lender) to compensate it for any loss, cost or expense that such Lender determines is attributable to:

(a) any payment, mandatory or optional prepayment or Conversion of a Eurodollar Loan made by such Lender for any reason (including, without limitation, the acceleration of the Loans pursuant to Section 9) on a date other than the last day of the Interest Period for such Loan; or

(b) any failure by the Borrowers for any reason (including, without limitation, the failure of any of the conditions precedent specified in Section 6 to be satisfied) to borrow a Eurodollar Loan from such Lender on the date for such borrowing specified in the relevant notice of borrowing given pursuant to Section 2.02.

Without limiting the effect of the preceding sentence, such compensation shall include an amount equal to the excess, if any, of (i) the amount of interest that otherwise would have accrued on the principal amount so paid, prepaid, Converted or not borrowed for the period from the date of such payment, prepayment, Conversion or failure to borrow to the last day of the then current Interest Period for such Loan (or, in the case of a failure to borrow, the Interest Period for such Loan that would have commenced on the date specified for such borrowing) at the applicable rate of interest for such Loan provided for herein over (ii) the amount of interest that otherwise would have accrued on such principal amount at a rate per annum equal to the interest component of the amount such Lender would have bid in the London interbank market for Dollar deposits of leading banks in amounts comparable to such principal amount and with maturities comparable to such period (as reasonably determined by such Lender).

5.06 Additional Costs in Respect of Letters of Credit. Without limiting the obligations of the Borrowers under Section 5.01 (but without duplication), if as a result of any Change in Law there shall be imposed, modified or deemed applicable any tax, reserve, special deposit, capital adequacy or similar requirement against or with respect to or measured by reference to Letters of Credit issued or to be issued hereunder and the result shall be to increase the cost to any Lender or Lenders of issuing (or purchasing participations in) or maintaining its obligation hereunder to issue (or purchase participations in) any Letter of Credit hereunder or reduce any amount receivable by any Lender hereunder in respect of any Letter of Credit (which increases in cost, or reductions in amount receivable, shall be the result of such Lender's or Lenders' reasonable allocation of the aggregate of such increases or reductions resulting from such event), then, upon demand by such Lender or Lenders (through the Administrative Agent), the Borrowers shall pay immediately to the Administrative Agent for the account of such Lender or Lenders, from time to time as specified by such Lender or Lenders (through the Administrative Agent), such additional amounts as shall be sufficient to compensate such Lender or Lenders (through the Administrative Agent) for such increased costs or reductions in amount. A statement as to such increased costs or reductions in amount incurred by any such Lender or Lenders, submitted by such Lender or Lenders to the Borrowers shall be conclusive in the absence of manifest error as to the amount thereof.

5.07 Tax Gross-up.

(a) Gross-up for Deduction or Withholding of Taxes. The Borrowers shall jointly and severally agree to pay to each Lender (or, if a Lender is not the beneficial owner of the relevant Loan, on account of the beneficial owner) such additional amounts as are necessary in order that the payment of any amount due to such Lender hereunder or under any other any Loan Document after deduction or withholding by an applicable withholding agent in respect of any Taxes imposed with respect to such payment will not be less than the amount stated herein to be then due and payable, provided that the foregoing obligation to pay such additional amounts shall not apply to (A) any U.S. federal withholding Tax that is imposed on any payment to any Foreign Lender pursuant to a law that is in effect at the time of such Foreign Lender becoming a Lender under any Loan Document or a change in its Applicable Lending Office, except to the extent that such Foreign Lender (or its assignor if applicable) was entitled, immediately prior to such change in the Applicable Lending Office (or assignment), to receive additional amounts from the Borrowers with respect to such withholding Tax pursuant to this Section 5.07, (B) any Tax that is attributable to such Lender's failure to comply with Section 5.07(e), (C) any U.S. federal withholding Taxes imposed under FATCA or (D) any Taxes imposed on or measured by its overall net income or profits and franchise Taxes imposed on it (in lieu of net income Taxes), however denominated, by a jurisdiction as a result of the Lender being organized or having its Applicable Lending Office in such jurisdiction (such Taxes other than the Taxes enumerated in the proviso, "Indemnified Taxes").

(b) Other Taxes. The Borrowers agree to pay Other Taxes to the applicable governmental authority.

(c) Indemnification. Borrowers shall, jointly and severally, indemnify the Administrative Agent and each Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 5.07) payable by the Administrative Agent or such Lender, as the case may be, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrowers by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Evidence of Deduction, Etc. Within 30 days after paying any amount to the Administrative Agent or any Lender from which it is required by law to make any deduction or withholding, and within 30 days after it is required by law to remit such deduction or withholding to any relevant taxing or other authority, the Borrowers shall deliver to the Administrative Agent for delivery to such Lender evidence satisfactory to such Lender of such deduction or withholding (as the case may be).

(e) Certifications and Forms. Any Foreign Lender that is entitled to an exemption from or reduction of any withholding tax with respect to any payments hereunder or under any other Loan Document shall, to the extent it may lawfully do so, deliver to the Borrowers and to the Administrative Agent, at the time or times reasonably requested by the Borrowers or the Administrative Agent, such properly completed and executed documentation prescribed by applicable law as will permit such payments to be made without withholding or at a reduced rate of withholding. Each Foreign Lender shall, from time to time after the initial delivery by such Foreign Lender of the forms described above, whenever a lapse in time or change in such Foreign Lender's circumstances renders such forms, certificates or other evidence so delivered obsolete or inaccurate, promptly (1) deliver to the Borrowers and the Administrative Agent (in such number of copies as shall be requested by the recipient) renewals, amendments or additional or successor forms, properly completed and duly executed by such Foreign Lender, together with any other certificate or statement of exemption required in order to confirm or establish such Foreign Lender's status or that such Foreign Lender is entitled to an exemption from or reduction in U.S. federal withholding tax or (2) notify Administrative Agent and the Borrowers of its inability to deliver any such forms, certificates or other evidence.

Without limiting the generality of the foregoing, any Foreign Lender shall, to the extent it may lawfully do so, deliver to the Borrowers and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Borrowers or the Administrative Agent, but only if such Foreign Lender is legally entitled to do so), whichever of the following is applicable:

(i) duly completed copies of Internal Revenue Service Form W-8BEN (or any successor forms) claiming eligibility for benefits of an income tax treaty to which the United States of America is a party,

(ii) duly completed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate to the effect that such Foreign Lender is not (A) a "bank" within the meaning of Section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of MCC within the meaning of Section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code, and that no payments in connection with the Loan Documents are effectively connected with such Foreign Lender's conduct of a U.S. trade or business ("Tax Certificate") and (y) duly completed copies of Internal Revenue Service Form W-8BEN (or any successor forms),

(iv) to the extent a Foreign Lender is not the beneficial owner (for example, where the Foreign Lender is a partnership for U.S. federal income tax purposes or a Lender that has sold a participation), an Internal Revenue Service Form W-8IMY, accompanied by a Form W-8ECI, W-8BEN, a Tax Certificate, Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that, if the Foreign Lender is a partnership (and not a participating Lender) and one or more partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a Tax Certificate on behalf of such beneficial owner(s),

(v) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrowers and the Administrative Agent to determine the withholding or deduction required to be made.

(f) Refund. If a Lender or the Administrative Agent receives a refund in respect of any Taxes as to which a Lender or the Administrative Agent has been indemnified by a Borrower pursuant to this Section 5.07, such Lender or the Administrative Agent shall, within 30 days from the date of receipt of such refund, pay over such refund to such Borrower, net of all reasonable out of pocket expenses of the Lender or the Administrative Agent, as the case may be, and without interest (other than any interest paid by the relevant taxing authority with respect to such refund).

(g) Issuing Lender. For the avoidance of doubt, the term “Lender” shall, for purposes of this Section 5.07, include any Issuing Lender.

5.08 Replacement of Lenders. If any Lender or the Administrative Agent on behalf of any Lender (a) requests compensation pursuant to Section 5.01, 5.06 or 5.07, (b) has its obligation to make or Continue, or to Convert Loans of any Type into the other Type of Loan, suspended pursuant to Section 5.01 or 5.03, (c) is a Defaulting Lender or (d) is a Non-Consenting Lender (any such Lender described in the foregoing clause (a) through (d) being herein called a “Specified Lender”), the Borrowers, upon three Business Days’ notice, may require that such Specified Lender transfer all of its right, title and interest under this Agreement to any bank or other financial institution (a “Proposed Lender”) identified by the Borrowers that is reasonably satisfactory to the Administrative Agent (i) if such Proposed Lender agrees to assume all of the obligations of such Specified Lender hereunder, and to purchase all of such Specified Lender’s Loans hereunder for consideration equal to the aggregate outstanding principal amount of such Specified Lender’s Loans, together with interest thereon to the date of such purchase (and, if applicable, any premium due pursuant to Section 2.09(v) or Section 2.09(vi) with respect to the Tranche I Term Loans and/or Tranche J Term Loans, respectively, assigned by such Specified Lender), and satisfactory arrangements are made for payment to such Specified Lender of all other amounts payable hereunder to such Specified Lender on or prior to the date of such transfer (including any fees accrued hereunder and any amounts that would be payable under Section 5.05, as if all of such Specified Lender’s Loans were being prepaid in full on such date) and (ii) if such Specified Lender has requested compensation pursuant to Section 5.01, 5.06 or 5.07, such Proposed Lender’s aggregate requested compensation, if any, pursuant to Section 5.01, 5.06 or 5.07 with respect to such Specified Lender’s Loans is lower than that of the Specified Lender. Subject to the provisions of Section 11.06(b), such Proposed Lender shall be a “Lender” for all purposes hereunder. Without prejudice to the survival of any other agreement of the Borrowers hereunder the agreements of the Borrowers contained in Sections 5.01, 5.06, 5.07 and 11.03 (without duplication of any payments made to such Specified Lender by the Borrowers or the Proposed Lender) shall survive for the benefit of such Specified Lender under this Section 5.08 with respect to the time prior to such replacement.

Section 6. Conditions Precedent.

6.01 Amendment and Restatement. The amendment and restatement of the Second Restated Credit Agreement contemplated hereby shall become effective upon the receipt by the Administrative Agent of the following, each of which shall be satisfactory to the Administrative Agent and to each Lender, in form and substance:

(a) Amendment and Restatement. The Third Restatement Agreement duly executed and delivered by each of MCC, Mediacom Broadband, the Borrowers, the Subsidiary Guarantor, the Administrative Agent, the Majority Lenders (as defined in the Second Restated Credit Agreement) and the Additional Third Restatement Lender.

(b) Opinion of Counsel to the Obligors. An opinion, dated the Third Restatement Effective Date, of Dentons US LLP, counsel to the Obligors covering such matters as the Administrative Agent or any Lender may reasonably request (and the Borrowers hereby instruct such counsel to deliver such opinion to the Lenders and the Administrative Agent).

(c) Other Documents. Such other documents as the Administrative Agent may reasonably request.

(d) Repayment of Tranche D Term Loans. The Administrative Agent shall have received reasonably satisfactory evidence that, on the Third Restatement Effective Date, substantially concurrently with the establishment of the Tranche I Term Loans and the Tranche J Term Loans, all Tranche D Term Loans that are not Tranche I Converted Tranche D Term Loans or Tranche J Converted Tranche D Term Loans will be repaid in full.

The effectiveness of the amendment and restatement of the Second Restated Credit Agreement contemplated hereby is also subject to the payment by the Borrowers of such fees as the Borrowers shall have agreed to pay or deliver to the arrangers, bookrunners and the Administrative Agent in connection herewith, including, without limitation, the reasonable fees and expenses of Cahill Gordon & Reindel LLP, special New York counsel to JPMCB, in connection with the negotiation, preparation, execution and delivery of this Agreement and the other Loan Documents and the extensions of credit hereunder (to the extent that statements for such fees and expenses have been delivered to the Borrowers).

6.02 Initial and Subsequent Extensions of Credit. The obligation of the Lenders to make any Loan or otherwise extend any credit to the Borrowers upon the occasion of each borrowing or other extension of credit hereunder (including the initial borrowing) is subject to the further conditions precedent that, both immediately prior to the making of such Loan or other extension of credit and also after giving effect thereto and to the intended use thereof:

(a) no Default shall have occurred and be continuing; and

(b) the representations and warranties made by the Borrowers in Section 7, and by each Obligor in the other Loan Documents to which it is a party, shall be true and complete in all material respects (provided that any representation already qualified by materiality or "Material Adverse Effect" shall be true and correct in all respects) on and as of the date of the making of such Loan or other extension of credit with the same force and effect as if made on and as of such date (or, if any such representation or warranty is expressly stated to have been made as of a specific date, as of such specific date).

Each notice of borrowing or request for the issuance of a Letter of Credit by the Borrowers hereunder shall constitute a certification by the Borrowers to the effect set forth in the preceding sentence (both as of the date of such notice or request and, unless the Borrowers otherwise notify the Administrative Agent prior to the date of such borrowing or issuance, as of the date of such borrowing or issuance).

Section 7. Representations and Warranties. The Borrowers represent and warrant to the Administrative Agent and the Lenders that:

7.01 Existence. Each Borrower and its Subsidiaries: (a) is a corporation, partnership, limited liability company or other entity duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization; (b) has all requisite corporate or other power, and has all material governmental licenses, authorizations, consents and approvals necessary to own its assets and carry on its business as now being or as proposed to be conducted; and (c) is qualified to do business and is in good standing in all jurisdictions in which the nature of the business conducted by it makes such qualification necessary and where failure so to qualify could (either individually or in the aggregate) have a Material Adverse Effect.

7.02 Financial Condition. The Borrowers have heretofore furnished to the Lenders the following financial statements:

(i) the audited consolidated financial statements of Mediacom Broadband, including consolidated balance sheets, as of December 31, 2010 and 2011, and the related audited consolidated statements of operation and cash flow for the years ended on such respective dates, certified by PricewaterhouseCoopers LLP;

(ii) the audited combined financial statements of the Borrowers, including combined balance sheets, as of December 31, 2010 and 2011, and the related audited combined statements of operation and cash flow for the years ended on such respective dates; and

(iii) the unaudited combined financial statements of the Borrowers, including combined balance sheets, as of June 30, 2012, and the related unaudited combined statements of operation and cash flow for the three-month period ended on such date.

All such financial statements fairly present in all material respects the individual or combined financial condition of the respective entities as at such respective dates and the individual or combined results of their operations for the applicable periods ended on such respective dates, all in accordance with generally accepted accounting principles and practices applied on a consistent basis (subject to ordinary year-end adjustments and footnotes).

Since December 31, 2011, there has been no material adverse change and no change, event or circumstance that could reasonably be expected to cause a material adverse change in the combined financial condition, operations or business of the Borrowers and their Subsidiaries taken as a whole from that set forth in such audited financial statements as at such date referred to in clauses (i) and (ii) above.

7.03 Litigation. As of the First Restatement Effective Date, there were no legal or arbitral proceedings, or any proceedings or investigations by or before any governmental or regulatory authority or agency, pending or (to the knowledge of any Borrower) threatened against any Borrower or any of its Subsidiaries that if adversely determined could (either individually or in the aggregate) reasonably be expected to have a Material Adverse Effect.

7.04 No Breach. None of the execution and delivery of this Agreement and the other Loan Documents, the consummation of the transactions herein and therein contemplated or compliance with the terms and provisions hereof and thereof will conflict with or result in a breach of, or require any consent under, the Operating Agreements, or any applicable law or regulation, or any order, writ, injunction or decree of any court or governmental authority or agency, or any agreement or instrument to which any Borrower or any of its Subsidiaries is a party or by which any of them or any of their Property is bound or to which any of them is subject, or constitute a default under any such agreement or instrument, or (except for the Liens created pursuant to the Security Documents) result in the creation or imposition of any Lien upon any Borrower or any of its Subsidiaries pursuant to the terms of any such agreement or instrument.

7.05 Action. Each Borrower has all necessary limited liability company power, authority and legal right to execute, deliver and perform its obligations under each of the Loan Documents to which it is a party; the execution, delivery and performance by each Borrower of each of the Loan Documents to which it is a party have been duly authorized by all necessary limited liability company action on its part (including, without limitation, any required member approvals); and this Agreement has been duly and validly executed and delivered by each Borrower and constitutes, and the other Loan Documents to which it is a party when executed and delivered will constitute, its legal, valid and binding obligation, enforceable against each Borrower in accordance with its terms, except as such enforceability may be limited by (a) bankruptcy, insolvency, reorganization, moratorium or similar laws of general applicability affecting the enforcement of creditors' rights and (b) the application of general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

7.06 Approvals. No authorizations, approvals or consents of, and no filings or registrations with, any governmental or regulatory authority or agency, or any securities exchange, are necessary for the execution, delivery or performance by any Borrower of this Agreement or any of the other Loan Documents to which it is a party or for the legality, validity or enforceability hereof or thereof, except for (i) filings and recordings in respect of the Liens created pursuant to the Security Documents and (ii) the exercise of remedies under the Security Documents may require prior approval of the FCC or the issuing municipalities or States under one or more of the Franchises.

7.07 ERISA. Each Plan, and, to the knowledge of each Borrower, each Multiemployer Plan, is in compliance in all material respects with, and has been administered in all material respects in compliance with, the applicable provisions of ERISA, the Code and any other Federal or State law, and no event or condition has occurred and is continuing as to which such Borrower would be under an obligation to furnish a report to the Administrative Agent under Section 8.01(e).

7.08 Taxes. Except as set forth in Schedule II, each Borrower and each of its Subsidiaries has filed all Federal income tax returns and all other material tax returns and information statements that are required to be filed by them and have paid all taxes due pursuant to such returns or pursuant to any assessment received by such Borrower or any of its Subsidiaries, except such taxes, if any, as are being contested in good faith and as to which adequate reserves have been set aside by such Borrower in accordance with GAAP. The charges, accruals and reserves on the books of the Borrowers and their Subsidiaries in respect of taxes and other governmental charges are, in the opinion of the Borrowers, adequate. None of the Borrowers has given or been requested to give a waiver of the statute of limitations relating to the payment of any Federal, state, local and foreign taxes or other impositions.

7.09 Investment Company Act. None of the Borrowers nor any of its Subsidiaries is an “investment company,” or a company “controlled” by an “investment company,” within the meaning of the Investment Company Act of 1940, as amended.

7.10 Anti-Corruption and Sanctions Laws. The Borrowers and each of their Subsidiaries have implemented and maintain in effect policies and procedures designed to ensure compliance by the Borrowers, their Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions, and the Borrowers, their Subsidiaries and their respective officers and employees and to the knowledge of the Borrowers, their directors and agents, are in compliance with Anti-Corruption Laws and applicable Sanctions in all material respects. None of (a) the Borrowers, any Subsidiary or any of their respective directors, officers or employees or (b) to the knowledge of the Borrowers, any agent of the Borrowers or any Subsidiary that will act in any capacity in connection with or benefit from the credit facility established hereby, is a Sanctioned Person. No Borrowing or Letter of Credit, use of proceeds or other transaction contemplated by this Agreement will violate Anti-Corruption Laws or applicable Sanctions.

7.11 Material Agreements and Liens.

(a) Indebtedness. Part A of Schedule III sets forth (i) a complete and correct list of each credit agreement, loan agreement, indenture, purchase agreement, guarantee, letter of credit or other arrangement (other than the Loan Documents) providing for or otherwise relating to any Indebtedness or any extension of credit (or commitment for any extension of credit) to, or guarantee by, the Borrowers or any of their Subsidiaries, outstanding on the First Restatement Effective Date, the aggregate principal or face amount of which equals or exceeds (or may equal or exceed) \$1,000,000, and the aggregate principal or face amount outstanding or that may become outstanding under each such arrangement is correctly described in Part A of Schedule III, and (ii) a statement of the aggregate amount of obligations in respect of surety and performance bonds backing pole rental or conduit attachments and the like, or backing obligations under Franchises, of the Borrowers or any of their Subsidiaries outstanding on the First Restatement Effective Date.

(b) Liens. Part B of Schedule III is a complete and correct list of each Lien (other than the Liens created pursuant to the Security Documents) securing Indebtedness of any Person outstanding on the First Restatement Effective Date, the aggregate principal or face amount of which equals or exceeds (or may equal or exceed) \$1,000,000 and covering any Property of the Borrowers or any of their Subsidiaries, and the aggregate Indebtedness secured (or that may be secured) by each such Lien and the Property covered by each such Lien is correctly described in Part B of Schedule III.

7.12 Environmental Matters. Each of the Borrowers and their Subsidiaries has obtained all environmental, health and safety permits, licenses and other authorizations required under all Environmental Laws to carry on its business as now being or as proposed to be conducted, except to the extent failure to have any such permit, license or authorization would not (either individually or in the aggregate) have a Material Adverse Effect. Each of such permits, licenses and authorizations is in full force and effect and each of the Borrowers and its Subsidiaries is in compliance with the terms and conditions thereof, and is also in compliance with all other limitations, restrictions,

conditions, standards, prohibitions, requirements, obligations, schedules and timetables contained in any applicable Environmental Law or in any regulation, code, plan, order, decree, judgment, injunction, notice or demand letter issued, entered, promulgated or approved thereunder, except to the extent failure to comply therewith would not (either individually or in the aggregate) have a Material Adverse Effect. In addition, no notice, notification, demand, request for information, citation, summons or order has been issued, no complaint has been filed, no penalty has been assessed and, to the Borrowers' knowledge, no investigation or review is pending or threatened by any governmental or other entity with respect to any alleged failure by the Borrowers or any of their Subsidiaries to have any environmental, health or safety permit, license or other authorization required under any Environmental Law in connection with the conduct of the business of the Borrowers or any of their Subsidiaries or with respect to any generation, treatment, storage, recycling, transportation, discharge or disposal, or any Release of any Hazardous Materials generated by the Borrowers or any of their Subsidiaries. All environmental investigations, studies, audits, tests, reviews or other analyses conducted by or that are in the possession of the Borrowers or any of their Subsidiaries in relation to facts, circumstances or conditions at or affecting any site or facility now or previously owned, operated or leased by the Borrowers or any of their Subsidiaries and that could result in a Material Adverse Effect have been made available to the Lenders.

7.13 Capitalization. The Borrowers have heretofore delivered to the Lenders true and complete copies of the Operating Agreements. The only member of the Borrowers on the date hereof is Mediacom Broadband. (m) Except for Franchises that cover fewer than 10% of the Basic Subscribers of the Borrowers and their Subsidiaries (determined as at the last day of the most recent fiscal quarter for which a Quarterly Officers' Report shall have been delivered) one or more Franchises relating to the CATV Systems of the Borrowers and their Subsidiaries shall be terminated or revoked such that the respective Borrower or Subsidiary is no longer able to operate such Franchises and retain the revenue received therefrom or the respective Borrower or Subsidiary or the grantors of such Franchises shall fail to renew such Franchises at the stated expiration thereof such that the respective Borrower or Subsidiary is no longer able to operate such Franchises and retain the revenue received therefrom; or

(n) The Liens created by the Security Documents shall at any time not constitute a valid and perfected Lien on the collateral intended to be covered thereby (to the extent perfection by control, filing, registration, recordation or possession is required herein or therein) in favor of the Administrative Agent, free and clear of all other Liens (other than Liens permitted under Section 8.06 or under the respective Security Documents), or, except for expiration in accordance with its terms, any of the Security Documents shall for whatever reason be terminated or cease to be in full force and effect, or the enforceability thereof shall be contested by any Obligor; or

(o) Any Operating Agreement shall be modified without the prior consent of the Administrative Agent (with the approval of the Majority Lenders) in any manner that would adversely affect the obligations of the Borrowers, or the rights of the Lenders or the Administrative Agent, hereunder or under any of the other Loan Documents;

THEREUPON: (1) in the case of an Event of Default other than one referred to in clause (f) or (g) of this Section 9.01 with respect to any Borrower, the Administrative Agent shall, if instructed by the Majority Lenders, by notice to the Borrowers, terminate the Commitments and/or declare the principal amount then outstanding of, and the accrued interest on, the Loans, the Reimbursement Obligations and all other amounts payable by the Borrowers hereunder (including, without limitation, any amounts payable under Section 5.05 or 5.06) to be forthwith due and payable, whereupon such amounts shall be immediately due and payable without presentment, demand, protest or other formalities of any kind, all of which are hereby expressly waived by the Borrowers; and (2) in the case of the occurrence of an Event of Default referred to in clause (f) or (g) of this Section 9.01 with respect to any Borrower, the Commitments shall automatically be terminated and the principal amount then outstanding of, and the accrued interest on, the Loans, Reimbursement Obligations and all other amounts payable by the Borrowers hereunder (including, without limitation, any amounts payable under Section 5.05 or 5.06) shall automatically become immediately due and payable without presentment, demand, protest or other formalities of any kind, all of which are hereby expressly waived by the Borrowers.

In addition, upon the occurrence and during the continuance of any Event of Default (if the Administrative Agent has declared the principal amount then outstanding of, and accrued interest on, the Revolving Credit Loans and all other amounts payable by the Borrowers hereunder to be due and payable), the Borrowers agree that they shall, if requested by the Administrative Agent or the Majority Revolving Credit Lenders through the Administrative Agent (and, in the case of any Event of Default referred to in clause (f) or (g) of this Section 9.01 with respect to the Borrowers, forthwith, without any demand or the taking of any other action by the Administrative Agent or such Lenders) provide cover for the Letter of Credit Liabilities by paying to the Administrative Agent immediately available funds in an amount equal to the then aggregate undrawn face amount of all Letters of Credit, which funds shall be held by the Administrative Agent in the Collateral Account as collateral security in the first instance for the Letter of Credit Liabilities and be subject to withdrawal only as therein provided.

9.02 Certain Cure Rights.

(a) Total Leverage Ratio. Notwithstanding the provisions of Section 9.01, but without limiting the obligations of the Borrowers under Section 8.10(a), a breach by the Borrowers as of the last day of any fiscal quarter or any fiscal year of its obligations under Section 8.10(a) shall not constitute an Event of Default hereunder (except for purposes of Section 6) until the date (for purposes of this clause (a), the “Cut-Off Date”) which is the earlier of the date thirty days after (a) the date the financial statements for the Borrowers and their Subsidiaries with respect to such fiscal quarter or fiscal year, as the case may be, are delivered pursuant to Section 8.01(a) or 8.01(b) or (b) the latest date on which such financial statements are required to be delivered pursuant to Section 8.01(a) or 8.01(b), provided that, if following the last day of such fiscal quarter or fiscal year and prior to the Cut-Off Date, the Borrowers shall have received Cure Monies (and shall have applied the proceeds thereof to the prepayment of the Loans hereunder, which prepayment, in the case of Affiliate Subordinated Indebtedness, shall be effected in the manner provided in Section 8.12(a)), or shall have prepaid the Loans hereunder from available cash, in an amount sufficient to bring the Borrowers into compliance with Section 8.10(a) assuming that the Total Leverage Ratio, as of the last day of such fiscal quarter or fiscal year, as the case may be, were recalculated to subtract such prepayment from the

aggregate outstanding amount of Indebtedness, then such breach or breaches shall be deemed to have been cured; provided, further, that breaches of Section 8.10 (including pursuant to paragraph (b) below) may not be deemed to be cured pursuant to this Section 9.02 (x) more than three times during the term of this Agreement or (y) during consecutive fiscal quarters.

(b) Interest Coverage Ratio. Notwithstanding the provisions of Section 9.01, but without limiting the obligations of the Borrowers under Section 8.10(b), a breach by the Borrowers as of the last day of any fiscal quarter or any fiscal year of its obligations under Section 8.10(b) shall not constitute an Event of Default hereunder (except for purposes of Section 6) until the date (for purposes of this clause (b), the “Cut-Off Date”) which is the earlier of the date thirty days after (a) the date the financial statements for the Borrowers and their Subsidiaries with respect to such fiscal quarter or fiscal year, as the case may be, are delivered pursuant to Section 8.01(a) or 8.01(b) or (b) the latest date on which such financial statements are required to be delivered pursuant to Section 8.01(a) or 8.01(b), provided that, if following the last day of such fiscal quarter or fiscal year and prior to the Cut-Off Date, the Borrowers shall have received Cure Monies (and shall have applied the proceeds thereof to the prepayment of the Loans hereunder, which prepayment, in the case of Affiliate Subordinated Indebtedness, shall be effected in the manner provided in Section 8.12(a)), or shall have prepaid the Loans hereunder from available cash, in an amount sufficient to bring the Borrowers into compliance with Section 8.10(b) assuming that the Interest Coverage Ratio, as of the last day of such fiscal quarter or fiscal year, as the case may be, were recalculated to deduct from Interest Expense the aggregate amount of interest that would not have been required to be paid hereunder if such prepayment had been made on the first day of the period for which the Interest Coverage Ratio is determined under Section 8.10(b), then such breach or breaches shall be deemed to have been cured; provided, further, that breaches of Section 8.10 (including pursuant to paragraph (a) above) may not be deemed to be cured pursuant to this Section 9.02 (x) more than three times during the term of this Agreement or (y) during consecutive fiscal quarters.

Section 10. The Administrative Agent.

10.01 Appointment, Powers and Immunities. Each Lender hereby appoints and authorizes the Administrative Agent to act as its agent hereunder and under the other Loan Documents with such powers as are specifically delegated to the Administrative Agent by the terms of this Agreement and under the other Loan Documents, together with such other powers as are reasonably incidental thereto. The Administrative Agent (which term as used in this sentence and in Section 10.05 and the first sentence of Section 10.06 shall include reference to its affiliates and its own and its affiliates’ officers, directors, employees and agents):

(a) shall have no duties or responsibilities except those expressly set forth in this Agreement and in the other Loan Documents, and shall not by reason of this Agreement or any other Loan Document be a trustee for any Lender;

(b) shall not be responsible to the Lenders for any recitals, statements, representations or warranties contained in this Agreement or in any other Loan Document, or in any certificate or other document referred to or provided for in, or received by any of them under, this Agreement or any other Loan Document, or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or any other document referred to or provided for herein or therein or for any failure by the Borrowers or any other Person to perform any of its obligations hereunder or thereunder;

(c) shall not, except to the extent expressly instructed by the Majority Lenders with respect to the collateral security under the Security Documents, be required to initiate or conduct any litigation or collection proceedings hereunder or under any other Loan Document; and

(d) shall not be responsible for any action taken or omitted to be taken by it hereunder or under any other Loan Document or under any other document or instrument referred to or provided for herein or therein or in connection herewith or therewith, except for its own gross negligence or willful misconduct.

The Administrative Agent may employ agents and attorneys-in-fact and shall not be responsible for the negligence or misconduct of any such agents or attorneys-in-fact selected by it in good faith.

10.02 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon any certification, notice or other communication (including, without limitation, any thereof by telephone, telecopy, telegram or cable) reasonably believed by it to be genuine and correct and to have been signed or sent by or on behalf of the proper Person or Persons, and upon advice and statements of legal counsel, independent accountants and other experts selected by the Administrative Agent. As to any matters not expressly provided for by this Agreement or any other Loan Document, the Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, hereunder or thereunder in accordance with instructions given by the Majority Lenders or, if provided herein, in accordance with the instructions given by the Majority Lenders of a particular Class or all of the Lenders as is required in such circumstance, and such instructions of such Lenders and any action taken or failure to act pursuant thereto shall be binding on all of the Lenders.

10.03 Defaults. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of a Default unless the Administrative Agent has received notice from a Lender or the Borrowers specifying such Default and stating that such notice is a "Notice of Default." In the event that the Administrative Agent receives such a notice of the occurrence of a Default, the Administrative Agent shall give prompt notice thereof to the Lenders. The Administrative Agent shall (subject to Section 10.07) take such action with respect to such Default as shall be directed by the Majority Lenders or, if provided herein, the Majority Lenders of a particular Class, provided that, unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the best interest of the Lenders except to the extent that this Agreement expressly requires that such action be taken, or not be taken, only with the consent or upon the authorization of the Majority Lenders of a particular Class or all of the Lenders.

10.04 Rights as a Lender. With respect to its Commitments and the Loans made by it, JPMCB (and any successor acting as Administrative Agent) in its capacity as a Lender hereunder shall have the same rights and powers hereunder as any other Lender and may exercise the same as though it were not acting as the Administrative Agent, and the term "Lender" or "Lenders" shall, unless the context otherwise indicates, include the Administrative Agent in its individual capacity. JPMCB (and any successor acting as Administrative Agent) and its affiliates may (without having to account therefor to any Lender) accept deposits from, lend money to, make investments in and generally engage in any kind of banking, trust or other business with the Borrowers (and any of their Subsidiaries or Affiliates) as if it were not acting as the Administrative Agent, and JPMCB (and any such successor) and its affiliates may accept fees and other consideration from the Borrowers for services in connection with this Agreement or otherwise without having to account for the same to the Lenders.

10.05 Indemnification. The Lenders agree to indemnify the Administrative Agent (to the extent not reimbursed under Section 11.03, but without limiting the obligations of the Borrowers under Section 11.03) ratably in accordance with the aggregate principal amount of the Loans and Letter of Credit Liabilities held by the Lenders (or, if no Loans or Letter of Credit Liabilities are at the time outstanding, ratably in accordance with their respective Commitments), for any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind and nature whatsoever that may be imposed on, incurred by or asserted against the Administrative Agent (including by any Lender) arising out of or by reason of any investigation in or in any way relating to or arising out of this Agreement or any other Loan Document, any other documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby (including, without limitation, the costs and expenses that the Borrowers are obligated to pay under Section 11.03, but excluding, unless a Default has occurred and is continuing, normal administrative costs and expenses incident to the performance of its agency duties hereunder) or the enforcement of any of the terms hereof or thereof or of any such other documents, provided that no Lender shall be liable for any of the foregoing to the extent they arise from the gross negligence or willful misconduct of the party to be indemnified.

10.06 Non-Reliance on Administrative Agent and Other Lenders. Each Lender agrees that it has, independently and without reliance on the Administrative Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own credit analysis of the Borrowers and their Subsidiaries and decision to enter into this Agreement and that it will, independently and without reliance upon the Administrative

Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own analysis and decisions in taking or not taking action under this Agreement or under any other Loan Document. The Administrative Agent shall not be required to keep itself informed as to the performance or observance by the Borrowers of this Agreement or any of the other Loan Documents or any other document referred to or provided for herein or therein or to inspect the Properties or books of the Borrowers or any of their Subsidiaries. Except for notices, reports and other documents and information expressly required to be furnished to the Lenders by the Administrative Agent hereunder or under the Security Documents, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the affairs, financial condition or business of the Borrowers or any of their Subsidiaries (or any of their affiliates) that may come into the possession of the Administrative Agent or any of its affiliates.

10.07 Failure To Act. Except for action expressly required of the Administrative Agent hereunder and under the other Loan Documents, the Administrative Agent shall in all cases be fully justified in failing or refusing to act hereunder or thereunder unless it shall receive further assurances to its satisfaction from the Lenders of their indemnification obligations under Section 10.05 against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action.

10.08 Resignation or Removal of Administrative Agent. Subject to the appointment and acceptance of a successor Administrative Agent as provided below, the Administrative Agent may resign at any time by giving five days prior notice thereof to the Lenders and the Borrowers, and the Administrative Agent may be removed at any time with or without cause by the Majority Lenders. Upon any such resignation or removal, the Majority Lenders shall have the right, in consultation with the Borrowers, to appoint a successor Administrative Agent. If no successor Administrative Agent shall have been so appointed by the Majority Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent's giving of notice of resignation or the Majority Lenders' removal of the retiring Administrative Agent, then the retiring Administrative Agent may, on behalf of the Lenders, in consultation with the Borrowers, appoint a successor Administrative Agent, that shall be a bank that has an office in New York, New York with a combined capital and surplus of at least \$5,000,000,000. Upon the acceptance of any appointment as Administrative Agent hereunder by a successor Administrative Agent, such successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. After any retiring Administrative Agent's resignation or removal hereunder as Administrative Agent, the provisions of this Section 10 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as the Administrative Agent.

10.09 Consents Under Other Loan Documents. Except as otherwise provided in Section 11.04 with respect to this Agreement, the Administrative Agent may, with the prior consent of the Majority Lenders (but not otherwise), consent to any modification, supplement or waiver under any of the Loan Documents, provided that, without the prior consent of each Lender, the Administrative Agent shall not (except as provided herein or in the Security Documents) release Mediacom Broadband from its guarantee obligations under the Guarantee and Pledge Agreement or release all or substantially all of the Subsidiary Guarantors from their obligations under the Security Documents, or release all or substantially all of the collateral or otherwise terminate all or substantially all of the Liens under the Security Documents (taken as a whole), or agree to additional obligations being secured by all or substantially all such collateral security (unless such additional obligations arise under this Agreement, or the Lien for such additional obligations shall be junior to the Lien in favor of the other obligations secured by such Security Document, in either of which events the Administrative Agent may consent to such Lien, provided that it obtains the consent of the Majority Lenders thereto), alter the relative priorities of the obligations entitled to the benefits of all or substantially all of the Liens under the Security Documents, except that no such consent shall be required, and the Administrative Agent is hereby authorized, to release any Lien covering Property (and to release any Subsidiary Guarantor) that is the subject of either a disposition of Property permitted hereunder or a Disposition to which the Majority Lenders have consented.

10.10 Withholding Tax. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender (including any Issuing Lender) an amount equivalent to any applicable withholding tax. Without limiting or expanding the provisions of Section 5.07, each Lender shall, and does hereby, indemnify the Administrative Agent against, and shall make payable in respect thereof within 30 days after demand therefor, any and all taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and

disbursements of any counsel for the Administrative Agent) Incurred by or asserted against the Administrative Agent by the Internal Revenue Service or any other governmental authority as a result of the failure of the Administrative Agent to properly withhold tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 10.10. The agreements in this Section 10.10 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the repayment of the Loans and Reimbursement Obligations and the termination of the Commitments and, in the case of any Lender that may assign any interest in its Commitments, Loans or Letter of Credit Interest hereunder, shall survive the making of such assignment.

10.11 Other Agents. Except as expressly provided herein, the Joint Bookrunners and Joint Lead Arrangers, the Co-Syndication Agents and the Documentation Agents named on the cover page of this Agreement shall not have any right, power, obligation, liability, responsibility or duty under this Agreement. Without limiting the generality of the foregoing, no such Person shall have or be deemed to have any fiduciary relationship with any other Lender in connection herewith. Each Lender acknowledges that it has not relied, and will not rely, on any such entity in deciding to enter into this Agreement or in taking or not taking action hereunder.

Section 11. Miscellaneous.

11.01 Waiver. No failure on the part of the Administrative Agent or any Lender to exercise and no delay in exercising, and no course of dealing with respect to, any right, power or privilege under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege under this Agreement preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The remedies provided herein are cumulative and not exclusive of any remedies provided by law.

Each Borrower irrevocably waives, to the fullest extent permitted by applicable law, any claim that any action or proceeding commenced by the Administrative Agent or any Lender relating in any way to this Agreement should be dismissed or stayed by reason, or pending the resolution, of any action or proceeding commenced by a Borrower relating in any way to this Agreement whether or not commenced earlier. To the fullest extent permitted by applicable law, the Borrowers shall take all measures necessary for any such action or proceeding commenced by the Administrative Agent or any Lender to proceed to judgment prior to the entry of judgment in any such action or proceeding commenced by a Borrower.

11.02 Notices. All notices, requests and other communications provided for herein and under the Security Documents (including, without limitation, any modifications of, or waivers, requests or consents under, this Agreement) shall be given or made in writing (including, without limitation, by telecopy) delivered to the intended recipient at (i) in the case of the Borrowers and the Administrative Agent, the "Address for Notices" specified on Schedule A and (ii) in the case of each of the Lenders, the address (or telecopy number) set forth in its Administrative Questionnaire; or, as to any party, at such other address as shall be designated by such party in a notice to each other party. Notwithstanding the foregoing, notices of borrowing, prepayment and Conversion of Loans pursuant to Section 4.05 may be made by telephone, so long as the same are promptly confirmed in writing. Except as otherwise provided in this Agreement, all such communications shall be deemed to have been duly given when transmitted by telecopier or personally delivered or, in the case of a mailed notice, upon receipt, in each case given or addressed as aforesaid.

11.03 Expenses, Etc. The Borrowers jointly and severally agree to pay or reimburse each of the Lenders and the Administrative Agent for: (a) all reasonable out-of-pocket costs and expenses of the Administrative Agent (including, without limitation, the reasonable fees and expenses of Cahill Gordon & Reindel LLP, special New York counsel to JPMCB) in connection with (i) the negotiation, preparation, execution and delivery of this Agreement and the other Loan Documents and the extension of credit hereunder and (ii) the negotiation or preparation of any modification, supplement or waiver of any of the terms of this Agreement or any of the other Loan Documents (whether or not consummated); (b) all reasonable out-of-pocket costs and expenses of the Lenders and the Administrative

Agent (including, without limitation, the reasonable fees and expenses of legal counsel) in connection with (i) any Default and any enforcement or collection proceedings resulting therefrom, including, without limitation, all manner of participation in or other involvement with (x) bankruptcy, insolvency, receivership, foreclosure, winding up or liquidation proceedings, (y) judicial or regulatory proceedings and (z) workout, restructuring or other negotiations or proceedings (whether or not the workout, restructuring or transaction contemplated thereby is consummated) and (ii) the enforcement of this Section 11.03; and (c) all transfer, stamp, documentary or other similar taxes, assessments or charges levied by any governmental or revenue authority in respect of this Agreement or any of the other Loan Documents or any other document referred to herein or therein and all costs, expenses, taxes, assessments and other charges incurred in connection with any filing, registration, recording or perfection of any security interest contemplated by any Security Document or any other document referred to therein.

The Borrowers hereby jointly and severally agree to indemnify each Agent, each Lender, each of their affiliates and their respective directors, officers, employees, trustees, investment advisors, attorneys and agents (collectively, the "Indemnified Parties") from, and hold each of them harmless against, any and all losses, liabilities, claims, damages or expenses incurred by any of them (including, without limitation, any and all losses, liabilities, claims, damages or expenses incurred by any Agent to any Lender, whether or not such Agent or any Lender is a party thereto) arising out of or by reason of any investigation or litigation or other proceedings (including any threatened investigation or litigation or other proceedings) relating to the extensions of credit hereunder or any actual or proposed use by the Borrowers or any of their Subsidiaries of the proceeds of any of the extensions of credit hereunder, including, without limitation, the reasonable fees and disbursements of counsel incurred in connection with any such investigation or litigation or other proceedings (but excluding any such losses, liabilities, claims, damages or expenses incurred by reason of the gross negligence or willful misconduct of the Person to be indemnified). No Indemnified Party shall be liable on any theory of liability for any special, indirect, consequential or punitive damages (including, without limitation, any loss of profits, business or anticipated savings).

11.04 Amendments, Etc. Except as otherwise expressly provided in this Agreement, any provision of this Agreement may be modified or supplemented only by an instrument in writing signed by the Borrowers and the Majority Lenders, or by the Borrowers and the Administrative Agent acting with the consent of the Majority Lenders, and any provision of this Agreement may be waived by the Majority Lenders or by the Administrative Agent acting with the consent of the Majority Lenders; provided that:

(a) no modification, supplement or waiver shall:

(i) increase the Commitment of any Lender without the written consent of such Lender;

(ii) reduce the principal amount of any Loan or Reimbursement Obligation or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender affected thereby;

(iii) postpone the scheduled date of payment of the principal amount of any Loan or Reimbursement Obligation, or any interest thereon, or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration or reduction of any Commitment, or postpone the ultimate expiration date of any Letter of Credit beyond the Revolving Credit Commitment Termination Date or commitment termination date for the relevant Incremental Facility Revolving Credit Commitments, as applicable, without the written consent of each Lender affected thereby;

(iv) change Section 4.02 or 4.07 in a manner that would alter the pro rata sharing of payments required thereby, without in each case the written consent of each Lender;

(v) alter the manner in which payments or prepayments of principal, interest or other amounts hereunder shall be applied between or among the Lenders or Classes of Loans without the written consent of the Majority Lenders of each Class affected thereby, or alter in any other manner the obligation of the Borrowers to prepay Loans hereunder without the consent of the Majority Lenders of each Class affected thereby;

(vi) change any of the provisions of this Section 11.04 or the percentage in the definition of "Majority Lenders," or modify in any other manner the number or percentage of the Lenders required to make any determinations or waive any rights hereunder or to modify any provision hereof, without the written consent of each Lender; or

(vii) waive any of the conditions precedent set forth in Section 6 applicable to the initial extension of credit hereunder, without the written consent of each Lender; and

(b) any modification or supplement of Section 10, or of any of the rights or duties of the Administrative Agent hereunder, shall require the consent of the Administrative Agent.

Anything in this Agreement to the contrary notwithstanding, no waiver or modification of any provision of this Agreement that has the effect (either immediately or at some later time) of enabling the Borrowers to satisfy a condition precedent to the making of a Loan of any Class shall be effective against the Lenders of such Class for the purposes of the Commitments of such Class unless the Majority Lenders of such Class shall have concurred with such waiver or modification, and no waiver or modification of any provision of this Agreement or any other Loan Document that could reasonably be expected to adversely affect the Lenders of any Class shall be effective against the Lenders of such Class unless the Majority Lenders of such Class shall have concurred with such waiver or modification.

11.05 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

11.06 Assignments and Participations.

(a) Assignments Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto (including any Affiliate of any Issuing Lender that issues any Letter of Credit) and their respective successors and assigns permitted hereby, except that (i) no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by a Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 11.06. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Lender that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) below) and, to the extent expressly contemplated hereby, the Affiliates and the respective directors, officers, employees, agents and advisors of each of the Administrative Agent, the Issuing Lenders, the Lenders and each of their Affiliates) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders.

(i) Assignments Generally. Subject to the conditions set forth in clause (ii) below, any Lender may assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Revolving Credit Commitment or Incremental Facility Revolving Credit Commitment, and the Loans and Letter of Credit Interest, at the time held by it) with the prior written consent (such consent not to be unreasonably withheld) of:

(A) the Borrowers, provided that no consent of the Borrowers shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default under paragraph (a), (f) or (g) of Section 9.01 shall have occurred and is continuing, any other assignee;

(B) the Administrative Agent, provided that no consent of the Administrative Agent shall be required for (w) an assignment of any Term Loans to a Lender, an Affiliate or a Lender or an Approved Fund, (x) an assignment of any Revolving Credit Loans or Revolving Credit Commitments to an assignee that is a Lender with a Revolving Credit Commitment immediately prior to giving effect to such assignment, (y) an assignment of any Incremental Facility Revolving Credit Commitments to an assignee that is a

Lender with an Incremental Facility Revolving Credit Commitment immediately prior to giving effect to such assignment or (z) an assignment of any Incremental Facility Term Loan Commitments to an assignee that is a Lender with an Incremental Facility Term Loan Commitment immediately prior to giving effect to such assignment; and

(C) each Issuing Lender, in the case of an assignment of all or a portion of (x) a Revolving Credit Commitment or any Revolving Credit Lender's obligations in respect of its Letter of Credit Interest thereunder or (y) an Incremental Facility Revolving Credit Commitment providing for Letters of Credit, or any Incremental Facility Revolving Credit Lender's obligations in respect of its Letter of Credit Interest thereunder.

(ii) Certain Conditions to Assignments. Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment, Loans or Letter of Credit Interest of any Class, the amount of the Commitment, Loans or Letter of Credit Interest of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 or, in the case of a Term Loan, \$1,000,000 (provided, that all amounts assigned shall be aggregated in calculating the \$1,000,000 minimum in the event of simultaneous assignments to or from two or more Affiliated Approved Funds) unless the Borrowers and the Administrative Agent otherwise consent, provided that no such consent of the Borrowers shall be required if an Event of Default under paragraph (a), (f) or (g) of Section 9.01 has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement, provided that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments, Loans or Letter of Credit Interest;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of U.S. \$3,500 (provided, that only one such fee shall be payable in the event of simultaneous assignments to or from one or more Affiliated Approved Funds); and

(D) the assignee, if it shall not already be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(iii) Effectiveness of Assignments. Subject to acceptance and recording thereof pursuant to paragraph (c) below, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to Section 5 and the rights referred to in Section 11.07). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 11.06 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (e) below.

(c) Maintenance of Register by the Administrative Agent. The Administrative Agent, acting for this purpose as an agent of the Borrowers, shall maintain at one of its offices in New York City a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount of the Loans and Reimbursement Obligations owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrowers, the Administrative Agent, the Issuing Lenders and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary.

The Register shall be available for inspection by the Borrowers, the Issuing Lenders or any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(d) Acceptance of Assignments by Administrative Agent. Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) above and any written consent to such assignment required by paragraph (b) above, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph (d).

(e) Participations. Any Lender may, without the consent of the Borrowers, the Administrative Agent or the Issuing Lenders, sell participations to one or more banks or other entities (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement and the other Loan Documents (including all or a portion of its Commitments and the Loans and Letter of Credit Interests held by it); provided that (i) such Lender's obligations under this Agreement and the other Loan Documents shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrowers, the Administrative Agent, the Issuing Lenders and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and the other Loan Documents. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 11.04 that affects such Participant. Subject to paragraph (f) below, the Borrowers agree that each Participant shall be entitled to the benefits of Section 5.01, 5.05, 5.06 and 5.07 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) above. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 4.07(b) as though it were a Lender; provided such Participant agrees to be subject to Section 4.07(b) as though it were a Lender hereunder. If a Lender (or any of its registered assigns) sells a participation pursuant to this Section 11.06(e), the Lender (or its registered assign, as the case may be), acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant's interest under this Agreement or any Loans or other obligations under the Loan Documents (the "Participant Register"); provided that such Lender (or its registered assign, as the case may be) shall have no obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender (or the registered assign, as the case may be) shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(f) Limitations on Rights of Participants. A Participant shall not be entitled to receive any greater payment under Section 5.01, 5.06 or 5.07 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrowers' prior written consent (not to be unreasonably withheld). A Participant shall not be entitled to the benefits of Section 5.07 unless such Participant agrees to comply with Section 5.07 as though it were a Lender.

(g) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any such pledge or assignment to a Federal Reserve Bank, and this Section 11.06 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such assignee for such Lender as a party hereto.

(h) Provision of Information to Assignees and Participants. A Lender may furnish any information concerning the Borrowers or any of their Subsidiaries in the possession of such Lender from time to time to assignees and participants (including prospective assignees and participants), subject, however, to the provisions of Section 11.12(b).

(i) No Assignments to the Borrowers or Affiliates. Anything in this Section 11.06 to the contrary notwithstanding, no Lender may assign or participate any interest in any Loan or Reimbursement Obligation held by it hereunder to the Borrowers or any of their Affiliates or Subsidiaries without the prior consent of each Lender.

11.07 Survival. The obligations of the Borrowers under Sections 5.01, 5.05, 5.06, 5.07 and 11.03, and the obligations of the Lenders under Section 10.05, shall survive the repayment of the Loans and Reimbursement Obligations and the termination of the Commitments and, in the case of any Lender that may assign any interest in its Commitments, Loans or Letter of Credit Interest hereunder, shall survive the making of such assignment, notwithstanding that such assigning Lender may cease to be a "Lender" hereunder. In addition, each representation and warranty made, or deemed to be made by a notice of any extension of credit (whether by means of a Loan or a Letter of Credit), herein or pursuant hereto shall survive the making of such representation and warranty, and no Lender shall be deemed to have waived, by reason of making any extension of credit hereunder (whether by means of a Loan or a Letter of Credit), any Default that may arise by reason of such representation or warranty proving to have been false or misleading, notwithstanding that such Lender or the Administrative Agent may have had notice or knowledge or reason to believe that such representation or warranty was false or misleading at the time such extension of credit was made.

11.08 Captions. The table of contents and captions and section headings appearing herein are included solely for convenience of reference and are not intended to affect the interpretation of any provision of this Agreement.

11.09 Counterparts. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument and any of the parties hereto may execute this Agreement by signing any such counterpart.

11.10 Governing Law; Submission to Jurisdiction. This Agreement shall be governed by, and construed in accordance with, the law of the State of New York. Each Borrower hereby submits to the exclusive jurisdiction of the United States District Court for the Southern District of New York and of the Supreme Court of the State of New York sitting in New York County (including its Appellate Division), and of any other appellate court in the State of New York, for the purposes of all legal proceedings arising out of or relating to this Agreement or the transactions contemplated hereby. Each Borrower hereby irrevocably waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of the venue of any such proceeding brought in such a court and any claim that any such proceeding brought in such a court has been brought in an inconvenient forum. Nothing in this Agreement or any other Loan Document shall affect any right that the Administrative Agent, any Issuing Lender or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Obligor or its properties in the courts of any jurisdiction.

11.11 Waiver of Jury Trial. EACH OF THE BORROWERS, THE ADMINISTRATIVE AGENT AND THE LENDERS HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

11.12 Treatment of Certain Information; Confidentiality.

(a) Disclosure to Certain Affiliates. The Borrowers acknowledge that from time to time financial advisory, investment banking and other services may be offered or provided to the Borrowers or one or more of their Subsidiaries (in connection with this Agreement or otherwise) by any Lender or by one or more subsidiaries or affiliates of such Lender and the Borrowers hereby authorize each Lender to share any information delivered to such Lender by the Borrowers and their Subsidiaries pursuant to this Agreement, or in connection with the decision of such Lender to enter into this Agreement, to any such subsidiary or affiliate, it being understood that any such subsidiary or affiliate receiving such information shall be bound by the provisions of paragraph (b) below as if it were a Lender hereunder. Such authorization shall survive the repayment of the Loans and Reimbursement Obligations and the termination of the Commitments.

(b) Confidentiality Generally. Each Lender and the Administrative Agent agrees (on behalf of itself and each of its affiliates, directors, officers, employees and representatives) to use reasonable precautions to keep confidential, in accordance with their customary procedures for handling confidential information of the same nature and in accordance with safe and sound banking practices (or, if such Lender is not a bank, in accordance with safe and sound lending practices), any non-public information supplied to it by any Obligor pursuant to this Agreement or any other Loan Document that is identified by the Borrowers as being confidential at the time the same is delivered to the Lenders or the Administrative Agent, provided that nothing herein shall limit the disclosure of any such information (i) after such information shall have become public (other than through a violation of this Section 11.12), (ii) to the extent required by statute, rule, regulation or judicial process, (iii) to counsel for any of the Lenders or the Administrative Agent, (iv) to bank examiners (or any other regulatory authority, or quasi-regulatory body, including the National Association of Insurance Commissioners (NAIC), having jurisdiction over any Lender or the Administrative Agent), or to auditors or accountants, (v) to the Administrative Agent or any other Lender (or to any Agent), (vi) in connection with any litigation to which any one or more of the Lenders or the Administrative Agent is a party, or in connection with the enforcement of rights or remedies hereunder or under any other Loan Document, (vii) to a subsidiary or affiliate of such Lender as provided in paragraph (a) above, (viii) to any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrowers and their obligations or (ix) to any assignee or participant (or prospective assignee or participant) so long as such assignee or participant (or prospective assignee or participant) first executes and delivers to the respective Lender a Confidentiality Agreement substantially in the form of Exhibit I (or executes and delivers to such Lender an acknowledgement to the effect that it is bound by the provisions of this Section 11.12(b), which acknowledgement may be included as part of the respective assignment or participation agreement pursuant to which such assignee or participant acquires an interest in the Loans or Letter of Credit Interest hereunder); provided, further, that obligations of any assignee that has executed a Confidentiality Agreement in the form of Exhibit I shall be superseded by this Section 11.12 upon the date upon which such assignee becomes a Lender hereunder pursuant to Section 11.06(b).

11.13 Confirmation of Security Interests; Confirmation of Subordination Agreements. Each of the Borrowers, Mediacom Broadband and MCC, by its execution of the Third Restatement Agreement, hereby confirms and ratifies that (A) all of its obligations under the Security Documents to which it is a party shall continue in full force and effect for the benefit of the Administrative Agent and the Lenders with respect to this amendment and restatement of the Second Restated Credit Agreement, (B) the security interests granted by it under each of the Security Documents to which it is a party shall continue in full force and effect in favor of the Administrative Agent for the benefit of the Lenders and the Administrative Agent with respect to this amendment and restatement of the Second Restated Credit Agreement, (C) all of its obligations under the Management Fee Subordination Agreement, to the extent it is a party thereto, shall continue in full force and effect for the benefit of the Administrative Agent and the Lenders with respect to this amendment and restatement of the Second Restated Credit Agreement and (D) all of its obligations under the Affiliate Subordinated Indebtedness Subordination Agreement, to the extent it is a party thereto, shall continue in full force and effect for the benefit of the Administrative Agent and the Lenders with respect to this amendment and restatement of the Second Restated Credit Agreement. References in any Security Document, in the Management Fee Subordination Agreement and/or in the Affiliate Subordinated Indebtedness Subordination Agreement to sections in the Original Credit Agreement shall be deemed amended to refer to the corresponding section of this Agreement.

11.14 PATRIOT Act. Each Lender that is subject to the Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Borrower that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Act”), it is required to obtain, verify and record information that identifies the Borrower, Mediacom Broadband, MCC and each Subsidiary Guarantor, which information includes the name and address of each Borrower, Mediacom Broadband, MCC and each Subsidiary Guarantor and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrowers, Mediacom Broadband, MCC and each Subsidiary Guarantor in accordance with the Act. The Borrowers shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the Act.

11.15 No Fiduciary Duty. In connection with all aspects of each transaction contemplated by this Agreement, the Borrowers acknowledge and agree, and acknowledges the other Obligor's understanding, that (i) each transaction contemplated by this Agreement is an arm's-length commercial transaction, between the Obligors, on the one hand, and the Agents and the Lenders, on the other hand, (ii) in connection with each such transaction and the process leading thereto, the Agents and the Lenders will act solely as principals and not as agents or fiduciaries of the Obligors or any of their stockholders, affiliates, creditors, employees or any other party, (iii) neither the Agents nor any Lender will assume an advisory or fiduciary responsibility in favor of the Borrowers or any of their Affiliates with respect to any of the transactions contemplated hereby or the process leading thereto (irrespective of whether any Agent or any Lender has advised or is currently advising any Obligor on other matters) and neither any Agent nor any Lender will have any obligation to any Obligor or any of its Affiliates with respect to the transactions contemplated in this Agreement except the obligations expressly set forth herein, (iv) the Agents and each Lender may be engaged in a broad range of transactions that involve interests that differ from those of the Obligors and their Affiliates, and (v) neither any Agent nor any Lender has provided or will provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby and the Obligors have consulted and will consult their own legal, accounting, regulatory, and tax advisors to the extent it deems appropriate. The matters set forth in this Agreement and the other Loan Documents reflect an arm's-length commercial transaction between the Obligors, on the one hand, and the Agents and the Lenders, on the other hand. The Borrowers agree that the Obligors shall not assert any claims that any Obligor may have against any Agent or any Lender based on any breach or alleged breach of fiduciary duty.
