**Explanation of Responses:**

1. On June 5, 2003, the Reporting Person entered into a Forward Purchase Agreement (the "Agreement") with an unaffiliated third party (the "Purchaser") relating to the forward sale by the Reporting Person of issuer's common stock. In consideration therefore, the Reporting Person will receive \$1,123,750 in connection with the sale of 125,000 shares of issuer's common stock by the Purchaser in accordance with Rule 144 under the Securities Act of 1933.

2. The Agreement provides that three business days after June 7, 2004 the Reporting Person will deliver up to 125,000 shares of issuer's common stock (or in lieu thereof, to pay the balance due thereunder in cash) based on the following formula: (a) if the closing price on June 7, 2004 (the "Closing Price") is less than \$9.96 per share, the Reporting Person will deliver 125,000 shares; (b) if the Closing Price is equal to or greater than \$9.96 per share but less than \$11.95 per share, the Reporting Person will deliver the number of shares equal to 125,000 x (\$9.96/Closing Price); and (c) if the Closing Price is equal to or greater than \$11.95 per share, the Reporting Person will deliver the number of shares equal to 125,000 - 125,000 x (\$1.99/Closing Price). The Reporting Person pledged 125,000 shares of issuer's common stock to the Purchaser to secure his obligation under the Agreement and retained voting rights to the pledged shares during the term of the pledge.
